Central New Mexico Community College

Commercial Driver License (CDL) Skills Exam Requirements

Cost: $200 (payment is required to schedule an exam)

This exam fulfills the state and federal requirement to obtain a Commercial Driver License. The skills test administered by a state-certified examiner must be scheduled at least one week in advance in accordance with New Mexico state regulations. The exam includes: a pre-trip vehicle inspection, basic control skills testing and behind-the-wheel road observation.

Before Scheduling a CDL Skills Exam

1. Download the NM CDL Manual online at www.mvd.newmexico.gov. NM CDL Manual is located:

   MVD Home > Commercial Services > Commercial Drivers and Vehicles > Commercial Driver License

2. Acquire your CDL Restricted License (Permit) from MVD. *CDL Exam cannot be scheduled until 14 days after your CDL Restricted License (Permit) issue date.*
3. Acquire your DOT Medical Card from an approved physician.
4. Obtain a representative vehicle of the CDL Class you are testing for. ***CNM Workforce Training Center does not provide testing vehicles for the CDL Skills Exam.*** We are ***not*** able to test any vehicles that have a School Bus plate, HazMat placards, or tanker vehicles used to transport materials such as propane.

Requirements to Schedule a CDL Skills Exam:
