

Student Academic Achievement Committee (SAAC) Standardized Report Form

INTRODUCTION

Program /Discipline Title: Technology Management and Training

Time Period: Summer 2005, Fall 2005, Spring 2006, Summer 2006

Program goals, objectives, and/or mission: The Technology Management and Training (TMT) is an Associates of Arts degree designed to transfer to the University of New Mexico College of Education Organizational Learning and Instructional Technologies (OLIT) program. The program allows the student with an Associates of Applied Science degree containing at least 30 technical hours to earn the Associates of Arts and seamlessly transfer.

Exit Competencies: The TMT program has only been authorized and approved by the Department of Education since 2005. At this juncture no exit competencies have been gathered. Exit competencies will be the success of the graduate in moving into the bachelor program in the College of Education at UNM.

Core Competencies: Graduates of this program were tested and reported when earning their AAS degree which is a pre/co-requisite to this program.
