You must have an access code to use the My Development Lab program, which is</p>

<b>Course Name</b>	EDUC 2204 Child Development for Teachers
	required in the class.
<b>Software Requirements: software student must purchase for this course.</b>	Go to CNM Distance Learning Website to review hardware and software requirements to take the DL classes. We are using Word 2003 for documents that have to be submitted so students should have access to this or be able to use Word 2007 and save their documents in 2003.
<b>Recommended connection speed (Dial up, DSL, or High speed)</b>	DSL or High Speed recommended
<b>Additional requirements for this course</b>	<p>Local students must complete one of the Distance Learning orientation workshops offered on any of the CNM Campuses during the first week of the spring term and provide documentation of attendance to the instructor. This is part of Week 1/Orientation. Out of town students may complete the Blackboard Tutorials, available to all students on the CNM website or email the instructor with information that documents an understanding of the distance learning process and/or experience in using Blackboard CE 6.</p> <p>Students need a reliable computer and a back up plan for computer access in case of an emergency.</p> <p>To check Distance Learning Computer requirements students may go to the following address:  <a href="http://www.cnm.edu/depts/dl/ComputerRequirements.php">http://www.cnm.edu/depts/dl/ComputerRequirements.php</a></p>

<b>Course Name</b>	EDUC 2204 Child Development for Teachers
<b>Online Information and time commitment</b>	Students need to be prepared to spend 6-8 hrs a week to complete reading, writing and related course requirements as well as be able to devote additional off line time to text reading, conducting 5 child observations and research activities.
<b>Additional instructions for registered students</b>	<p>This is <b>not</b> a self-paced course. Students are expected to meet the deadlines specified for all course assignments.</p> <p>Week 1 of the course is devoted to all of the Orientation requirements for Distance Learning, getting the text and completing an instructor Orientation Assignment available in the course. The Orientation assignment is due by 5:00 p.m. on Friday of the first week of the term. For the Summer 2008 term this will be May 23. After Orientation, the next assignment for Week 2 will be available at 6p.m. on Friday May 23. Starting at the end of week 2, assignments will be due by 6 pm on Thursdays, and new assignments will be available at 8 a.m. on Friday mornings.</p> <p>Prior to the start of the course questions can be sent to the instructor at <a href="mailto:ekyle@cnm.edu">ekyle@cnm.edu</a> or a message left at (505) 224-3636, ext 0880. After the course begins, questions will be sent and answered via the course email. Students can expect to wait at least 24 hours before receiving a reply.</p>
