

Course Name:	Algebraic Problem Solving I, Math 0930 Section 57
CRN	92024
Description	First of a two-course series in elementary algebra. Topics include signed numbers, solving linear equations, formulas, graphing, and applications. Course satisfies prerequisite for MATH 0940 (100B), MATH 1110 (111) and MATH 1210 (119).
Prerequisites	MATH 0750 (formally Math 99) or equivalent skills as demonstrated by placement exam
Start and End Dates:	May 19, 2008 through August 10, 2008
Instructor Name	Shelly Robinson
Phone	Voice Mail 224-3993 ext 1339
Email	srobinson@cnm.edu
Required Face-to-Face Meeting:	None
Required Texts:	<p><i>Elementary Algebra for CNM Math 100A</i>, 3rd ed., Alan S. Tussy and R. David Gustafson, 2006</p> <p>It is recommended that all Distance Learning students purchase the Student Solution Manual for this textbook.</p> <p>Scientific calculator with [a b/c] (fraction) key.</p>
Additional requirements for this course:	Students must have an operating system equivalent to Windows 98 and web browsing software. In addition, when registering for a Blackboard account, students should click on "Check Browser" to make sure they have the appropriate versions of Java and Flash. Students may be required to download any software that is needed to complete the coursework.
Online Information and time commitment:	Many people wrongly assume that online classes are easier than traditional classes. The opposite is probably true. You must be highly motivated and self-disciplined to successfully complete the course. Students are expected to log on to Blackboard a minimum of 3 days each week. Students should expect to spend

Course Name:	Algebraic Problem Solving I, Math 0930 Section 57
	a minimum of 8 hours each week completing course requirements.
Additional Instructions for after enrolling for this course:	<p>Before the course opens, students who are interested in obtaining additional course information can email the instructor, at srobinson@cnm.edu.</p> <p>All students must log onto Blackboard (Bb) and into the course on the first day of the term . To access Bb, you must have a Bb username and password. If you do not have a username, go to http://elearning.cnm.edu . Create your username and password, and then add this course when it opens on the first day of the term.</p> <p>Once you can access the course through Bb, you are responsible for reading all information on the homepage and completing Module 1. Students who have not completed these requirements by the end of the first week of the term will be dropped from the course.</p>
