DATE: May 20, 2009

TO: All Bidders of Record

FROM: Gil Rivera, Buyer

SUBJECT: Amendment #1 to T-2759 “CNM Course Catalogs”

This amendment becomes part of the Contract Documents and modifies the original bidding documents as noted below:

1. QUESTION: Do catalogs need to be boxed or can they be skid packed?
   ANSWER: Catalogs need to be boxed.

2. QUESTION: As far as the authorized reimbursement of actual travel expenses for press checks, do we need to consider having your employees for the duration of the print run, both text and cover, or just for the initial sign-off on the cover and/or text prior to the production run?
   ANSWER: Press check is required for both the cover and the text. At a minimum, press check for the cover is required at the beginning and at the middle of the press run. Text press check is required at a minimum at the beginning of the press run. If quality issues continue to occur following minimum press checks, then it may be necessary to extend the press checks for the duration of the press run.

All other specifications, terms and conditions remain unchanged. Bidders are required to acknowledge receipt of this Amendment in the space provided in Section E. The due date and time of May 26, 2009 at 3PM MST remains unchanged.
