AMENDMENT #3

DATE:    July 20, 2009
TO:     All Bidders of Record
FROM:     Krista Colón, Buyer
SUBJECT:    Amendment #3 to T-2763 “Building Analyst Certification Training”

This amendment becomes part of the Contract Documents and modifies the original bidding documents as noted below:

1. Question: What equipment will be provided by CNM?

   Answer:
   - ThermalStar Blower Door
   - ThermalStar Duct Tester
   - Bacharach Monoxor III Carbon Monoxide Detector with Probe
   - Extech EZ-40 Combustion Gas Detector
   - Infiltech Manometer
   - Power Drill
   - Flir EX320 Infrared Camera with wide angle lens
   - Extech 3 in 1 Hygrometer-Anemometer-Temperature

2. Clarification: This training is to prepare CNM faculty to become certified Building Analysts so they can eventually help prepare CNM students to become certified. This training will not include the BPI certification written or field exam. The training should include review tests to ensure all participants understand the material.
3. **Clarification:** Vendor shall be responsible for providing books and any other non-equipment materials needed for this training, and shall provide a certificate of completion for each participant who successfully completes the coursework.

4. **Clarification:** RESNET thermal imaging will not be required as part of the training, the general thermal imaging course that is part of the BPI approved curriculum will be sufficient.

**Reminder:** This bid has been extended to Thursday July 23, 2009 at 3:00 PM MDT.

Anyone who has already submitted a bid can resubmit a new bid, if the information contained in the amendments changes the bid amount.
