AMENDMENT # 1

DATE:        July 23, 2009
TO:          All Bidders of Record
FROM:        Greg Van Wart, Buyer
SUBJECT:     Amendment # 1 to T-2764 “Retaining Wall, Sidewalk and Landscape at CNM’s Westside Campus”

This amendment becomes part of the Contract Documents and modifies the original bidding documents as noted below:

1. I just wanted to verify that the concrete work is to require a density test and have the concrete tested?

   Answer: This will require “CID” Construction Industries permitting and must meet their requirements and the contractor is responsible for the permitting.

2. REGARDING: Barricading
   QUESTION: Will barricading be required for this project?

   Answer: Yes

3. REGARDING: SWPPP
   QUESTION: Will a SWPPP Plan need to be included in the bid?

   Answer: No

4. REGARDING: Compaction Testing
   QUESTION: Will compaction testing be required beneath the sidewalk and Keystone wall?

   Answer: Compaction yes, required testing no.

5. REGARDING: Drainage behind wall
   QUESTION: Will there be a need for any drainage pipe or gravel behind the Keystone wall at the base?

   Answer: There is no need for drainage in a 2ft wall
6. Question on the telephone box which will be on the way of the sidewalk. Will the box be moved prior to construction or will the contractor be responsible for having the telephone box moved?

Answer: That is up to the telephone co. Contractor must verify with the phone company.

7. What color of block are you requesting?

Answer: Brown

8. Due date and time has been extended to Wednesday July 29, 2009 at 3:00PM

All other specifications, terms and conditions remain unchanged. Bidders are required to acknowledge receipt of this Amendment in the space provided on page 9, Section E.
