AMENDMENT # 1

DATE: October 9, 2009

TO: All Bidders of Record

FROM: Greg Van Wart, Buyer

SUBJECT: Amendment # 1 to T-2766 “CNM Countertop Replacement Project”

This amendment becomes part of the Contract Documents and modifies the original bidding documents as noted below:

Additions/clarifications to the scope of work as follows:

A-Building:

Has four staff rest rooms, two on each floor that have wall mounted lavatories. Replace the 8” on center faucets with T & S B-2990 “modified with Cerama” faucets.

Has four restrooms, two on each floor. 1st floor the counter-tops are getting replaced, replace the faucets with T & S B2711-F05 (F05 = 0.5 GPM aerator) single lever faucets. The 2nd floor has wall mounted lavatories. Replace the 8” on center faucets with T & S B-2990 “modified with Cerama” faucets and 4” on center faucets with T & S B2711-F05 single lever faucets.

Replace all parts of the drain line to the wall; use a grid type strainer in the lavatory.

General notes for all locations in this project:

- Install new stainless steel type supply lines and \(\frac{1}{4}\)- turn angle stops at all lavatory locations.
- Install new Plumberex trap gear, model # 396 at all lavatory locations.
- At all lavatory locations, if the wall nipple is missing threads or deteriorated, replace with a new galvanized nipple. If the nipple is clogged, unclog it. Make sure the drain is not clogged before the drain line is hooked up to the lavatory.

All other specifications, terms and conditions remain unchanged. Bidders are required to acknowledge receipt of this Amendment in the space provided on page 11, Section E.
