AMENDMENT # 1

DATE: November 3, 2009
TO: All Bidders of Record
FROM: Krista Colón, Buyer
SUBJECT: Amendment # 1 to T-2775 “Soft Serve Machine”

This amendment becomes part of the Contract Documents and modifies the original bidding documents as noted below:

1. Concern: It looks as though a three phase unit is being requested because the electrical requirements are listed as such on Section E of the bid request. The problem is that the model number indicates a single phase unit.

   Response: The correct model number on the bid should be the Taylor C716. CNM wants a machine that will work on 208-230/60/3ph. The electrical specifications described on the bid will remain the same.

2. This bid has been extended to Friday November 6, 2009 at 3:00 PM MDT.

All other specifications, terms and conditions remain unchanged. Bidders are required to acknowledge receipt of this Amendment in the space provided on section F of the bid documents.
