Any testing or inspection procedures required by the specification are in addition to CNM’s rights under this paragraph.

b. The Contractor shall maintain detailed time records which indicate the date, time and nature of services rendered. Contractor shall maintain detailed records of all materials or supplies delivered to CNM under this Purchase Order, including serial numbers and other appropriate identifiers. These records shall be subject to internal and external audit. CNM shall have the right to audit billings both before and after payment. 2. Warranties. Seller warrants the materials, supplies or services furnished to be exactly as specified in this order, free from defects in Seller’s design, labor, materials and manufacture, and to be in compliance with any drawings or specifications incorporated herein and with any samples furnished by Seller. All applicable UCC warranties, express and implied, are incorporated herein.

3. Acceptance and Rejection. If prior to final acceptance, any materials, supplies or service are found to be defective or not as specified, or if CNM is entitled to revoke acceptance of them, CNM may reject or revoke acceptance, require Seller to correct without charge within a reasonable time, or require delivery at an equitable reduction in price at CNM’s option. No change by Seller shall be recognized without prior written approval of CNM’s Purchasing department. Any claim of Seller for an adjustment under this paragraph must be made in writing within thirty (30) days from the date of receipt of Seller's notice of such change, unless CNM waives this condition. Nothing in this paragraph shall excuse Seller from proceeding with performance of the order as changed hereunder.

CNM shall pay Seller as full compensation for performance until such termination: (1) the unit or pro rata order price for the delivered and accepted portion; and (2) a reasonable amount to be approved by CNM, and not otherwise recoverable from other sources by Seller, with respect to the undelivered or unaccepted portion of this order. Provided, however, compensation hereunder shall in no event exceed the total order price. Such amount will be limited to Seller’s actual cost and may not include anticipated profits.

CNM may terminate this order by written notice in whole or in part for Seller's default if Seller refuses or fails to comply with the provision of this order, or fails to make progress so as to endanger performance and does not cure such failure within a reasonable period of time. In such event, CNM may otherwise secure the materials, supplies or services ordered, and Seller shall be liable for damages suffered by CNM, including incidental and consequential damages. If, after notice of termination, CNM determines Seller was not in default, or if Seller’s default is due to an act of God, force majeure or other causes beyond Seller’s control, the rights and remedies of CNM provided in this article shall not be exclusive and may be in addition to any other rights and remedies provided by law or under this order.

As used in this paragraph, the word “Seller” includes Seller and its sub-suppliers at any tier.

In the event any third party shall claim that the reproduction, manufacture, use, or sale of goods or items covered hereby infringes any copyright, trademark, patent, or other intellectual property rights, Seller shall indemnify and hold CNM harmless from any cost, expense, damage, or loss resulting therefrom.

10. Discounts. Any discount time will not begin until the materials, supplies, or services have been received and accepted and correct invoice received by CNM’s Purchasing Department. In the event testing is required, the discount time shall begin upon the completion of the tests.
