4. ALTERNATE BIDS. If offering a brand, part or catalog number other than that listed, please indicate items offered and include literature and or technical specifications. Failure to do so may cause offer to be declared non-responsive. CNM reserves the right to make the final determination of whether an alternate bid is equal. It is the contractor’s responsibility to provide, as part of the bid, descriptive literature and specification information on all alternates bid. If the bid is not clearly identified as an alternate item, it is understood that the items are bid as specified.

5. AWARD OF BIDS. CNM reserves the right to award this bid based on price and any other evaluation criteria contained herein; to reject any and all bids or any part thereof, and to accept the bid that is in the best interest of CNM.

9. CONTRACTOR GUARANTEE. The initial notification of the delay may be verbal with a written confirmation, giving the probable cause and effect, with recommendations for alternate action. Nothing in this paragraph will be interpreted as relieving the contractor of his/her contractual obligations. However, failure to notify CNM promptly will be a basis for determining the contractor responsibility in an otherwise excusable delay.

12. DISCREPANCIES. If any bidder is of the opinion that the bid specifications as written preclude him/her/it from submitting a response to this Invitation to Bid, it is specifically requested that the bidder’s opinion be made known to the Buyer, in writing, at least seven (7) days prior to the established bid opening date.

**SECTION C.**

CNM shall pay Seller as full compensation for performance up to such termination: (1) the unit or pro rata order price for the delivered and accepted portion; and (2) a reasonable amount to be approved by CNM, and not otherwise recoverable from other sources by Seller, with respect to the undelivered or unaccepted portion of this order. Provided, however, compensation hereunder shall in no event exceed the total order price. Such amount will be limited to Seller's actual cost and may not include anticipated profits.

CNM may terminate this order by written notice in whole or in part for Seller's default if Seller refuses or fails to comply with the provision of this order, or fails to make progress so as to endanger performance and does not cure such failure within a reasonable period of time. In such event, CNM may otherwise secure the materials, supplies or services ordered, and Seller shall be liable for damages suffered by CNM, including incidental and consequential damages.

If, after notice of termination, CNM determines Seller was not in default, or if Seller's default is due to failure of CNM, termination shall be deemed for the convenience of CNM.

The rights and remedies of CNM provided in this article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this order.

As used in this paragraph, the word “Seller” includes Seller and its subsidiaries at any tier.
