1. ACCEPTANCE.
   Equipment and/or Services - Right to reject; specifications.
   (I) All equipment and/or services furnished will be subject to inspection and testing by buyer and buyer's agents upon arrival and after installation. Any equipment and/or services found by buyer in its sole discretion to be not in accordance with the specifications, drawings, plans, instructions, performance criteria, samples or other description furnished or adopted by buyer for the order or otherwise not in conformance with the terms of the order shall be subject to rejection, return and back charge as appropriate, together with the necessary costs of handling and shipping. Buyer's payment of all or any part of the purchase price prior to such inspection, testing and non-acceptance of the equipment and/or services involved shall not constitute a waiver of any of buyer's rights hereunder.

   (II) When supplier believes that the work and equipment are "finally completed", it shall notify buyer in writing and upon receipt of said notice, buyer shall inspect the work and either accept such work as being "finally completed" or identify in writing to supplier that the work is not finally completed in the opinion of buyer and state specifically why buyer believes the work is not finally completed. The work and equipment shall be considered finally completed following successful start-up of the equipment and full operation of such equipment for a reasonable number of days or for such period of time set forth in the applicable Purchase Order, and at that time supplier shall submit a final payment application for all amounts remaining due and owing to supplier under the applicable Purchase Order.

2. ACKNOWLEDGMENT OF AMENDMENT/ADDENDUM.
   Bidders shall acknowledge receipt of any amendments/Addenda to this Invitation by identifying the amendment number and date in the space provided on the form labeled “Signature of Firm’s Authorized Representative”.

   525 Buena Vista, SE
   Albuquerque, NM 87106

4. AWARD OF BIDS. CNM reserves the right to award this bid based on price and any other evaluation criteria contained herein; to reject any and all bids or any part thereof, and to accept the bid that is in the best interest of CNM.

5. AWARDS. CNM reserves the right to make multiple awards of the items, projects and/or sections of this Invitation. Price agreements may be awarded on a unit basis for each individually numbered item to the lowest responsible bidder, or when a group of items have been consolidated for uniformity, it may be necessary to bid all inclusive items to receive consideration.

6. BID NEGOTIATION. Bidders will not be afforded an opportunity for discussion and revision of bids.

7. BID OPENING. Bid will be opened publicly on the bid due date and time specified on the bid cover sheet in the Purchasing Department Office. Anyone may attend the opening.

8. CANCELLATION. CNM reserves the right to cancel without penalty this Invitation, the resultant price agreement or any portion thereof for unsatisfactory performance, unavailability of funds, or when it is in the best interest of CNM.

9. CHANGES/ALTERATIONS AFTER AWARD. Changes or alterations after the award can only be made if agreed to in writing by CNM.

10. CLEAN UP. It is the contractor's responsibility that the job site be kept clean and free of rubble while work is performed under the resultant price agreement. Upon completion of the work, all areas shall be cleared of all contractor's equipment, excess materials and rubble, and the site shall be left broom clean. Disposal of any debris shall be to an appropriate disposal site in accordance with any laws applicable to the type of material being disposed.

11. CONFIDENTIALITY. Any information provided to or developed by the Contractor in the performance of the resultant agreement shall be kept confidential and shall not be made available to any other individual or organization by the Contractor without prior written approval of CNM.

12. CONTRACT. CNM’s purchase order shall be considered the binding agreement/contract. In the event of any inconsistent or incompatible provisions, the purchase order (excluding contractor’s bid) shall take precedence, followed by the provisions of the Invitation to Bid, and then lastly, the terms of the vendor’s bid response.

13. CONTRACTOR GUARANTEE. The contractor shall guarantee all materials, equipment and workmanship furnished and or installed to be free of defects and shall agree to replace solely at his/her expense any and all defective equipment, parts, etc. within a one year period after the date of acceptance of the items and or installation by CNM, unless otherwise agreed to in writing at the time of award.

Any equipment or facilities damaged by the contractor's operations shall be repaired and or restored to their original condition at the contractor's expense, including but not limited to cleaning and painting. The contractor shall be responsible for security of all his/her equipment and for the protection of work done under the resultant price agreement until final acceptance of the work.

15. DELIVERY. Delivery is an important consideration and may be a factor in determining the award. Please state your earliest delivery date in the space provided on the response form. Delivery to be made to CNM Receiving/Warehousing, 901 Buena Vista SE, Albuquerque, NM 87106, unless otherwise specified.

16. DELIVERY DELAYS. If after award, the contractor becomes aware of possible problems that could result in delay in the agreed-to delivery schedule, the contractor must immediately notify the Buyer or the designated representative. The initial notification of the delay may be verbal with a written confirmation, giving the probable cause and effect, with recommendations for alternate action. Nothing in this paragraph will be interpreted as relieving the contractor of his/her contractual obligations. However, failure to notify CNM promptly will be a basis for determining the contractor responsibility in an otherwise excusable delay.

17. DISCREPANCIES. If any bidder is of the opinion that the bid specifications as written preclude him/her/it from submitting a response to this Invitation to Bid, it is specifically requested that the bidder’s opinion be made known to the Buyer, in writing, at least seven (7) days prior to the established bid opening date.

18. DISRUPTION OF NORMAL ACTIVITY. All work shall be performed so as not to interfere with normal CNM activities. When it is necessary to disrupt normal activities, the schedule of work and the
areas to be affected must be approved by CNM's authorized representative prior to commencement of the work.

19. **EMPLOYEE CERTIFICATION.** The contractor and all contractor's employees utilized on the work to be performed under this Invitation must have the proper certification(s) and license(s) to comply with State and local requirements connected to this invitation. 20. **EQUIPMENT REQUIRED.** The contractor shall be responsible for supplying and maintaining all equipment and materials necessary to complete the work under this Invitation except as otherwise noted in the Specifications.

21. **EXCLUSIVE RIGHTS.** Under no circumstances shall this Agreement be construed or deemed to be a contract whereby CNM grants Contractor exclusive right to furnish CNM its needs or requirements for services described herein.

22. **FORCE MAJEURE.** Neither party to the resultant agreement will be liable to the other for any failure or delay in performance under the resultant agreement due to circumstances beyond its reasonable control including, but not limited to, acts of God, accidents, labor disputes, acts or omissions and defaults of third parties, and official, government or judicial action not the result of negligence of the party failing or late in performing.

23. **GENERAL TERMS AND CONDITIONS.** CNM's General Terms and Conditions are an equal and integral part of this Invitation.

24. **GOVERNING LAW.** This Invitation and the resultant price agreement will be interpreted and governed by the Laws of the State of New Mexico.

25. **INSPECTIONS.** The contractor shall be responsible for securing at his/her expense, all required inspections to comply with Federal, State, and or local regulations governing the work performed under this Invitation. CNM will inspect all work done under this invitation to verify compliance with specifications contained herein. The contractor shall call for all required inspections and have a representative present at all inspections.

26. **INVITATION TERMS PART OF CONTRACT.** This Invitation along with its attachments will be considered to be part of the resultant price agreement and or purchase order and is to be incorporated by reference.

27. **LATE SUBMISSIONS.** Late submissions of bids will not be considered unless it is determined by CNM that the late receipt was due solely to mishandling by CNM or if the bid is the only one received. All other late submissions will be returned unopened.

28. **MODIFICATIONS.** Only modifications received prior to the time specified for the closing will be accepted. No modifications will be accepted following the opening. Technical clarifications of the offer may be requested by the Buyer following the opening.

29. **NEW MATERIALS REQUIRED.** All materials and equipment delivered and or installed under this Invitation shall be new and be the standard products of a manufacturer regularly engaged in the production of the materials and equipment (unless otherwise specified in the supplementary bid terms and conditions). Where two or more units of the same class of materials and or equipment are required, the units shall be the products of the same manufacturer. Any manufacturer's data supplied with the items shall be submitted to CNM's authorized representative.

30. **NUMBER FOR BID CLARIFICATION.** The Bidder should include a local or toll-free number for bid clarifications. Failure to do so may result in the bid being declared non-responsive.

31. **OWNERSHIP OF MATERIAL.** During the term of the resultant agreement, ownership of all data, material, and documentation originated and prepared by the contractor for CNM shall belong exclusively to CNM.

32. **PACKAGING.** Packaging of materials shall be suitable to insure that the materials are received in an undamaged condition. All material returns will be at the contractor's expense.

33. **PAYMENT DISCOUNTS.** CNM will take advantage of payment discounts offered whenever possible; however, payment discounts will not be used as a means to determine the lowest responsible bidder.

34. **PERIOD FOR BID ACCEPTANCE.** The Bidder agrees, if his/her bid is accepted within 90 calendar days of the closing date, to furnish the goods and services at the prices set forth in his/her bid, delivered to the designated point(s) within the specified time in the delivery schedule. Failure to comply may result in removal from the bidlist. An additional time period may be requested elsewhere in this Invitation.

35. **POTENTIAL COSTS UNSPECIFIED.** The contractor shall include in his/her bid all material and labor costs known to be required to complete the work under this Invitation including any materials, labor or other costs that are not specifically identified in the specifications. Any unspecified costs should be identified and included as a separate item in the price bid.

36. **POTENTIAL COSTS-UNSPECIFIED, RENTAL.** The contractor shall include as a separate item any unspecified additional cost which may be incurred by CNM as a result of a rental under this Invitation. This may include but should not be limited to responsibility for damages to equipment, excessive wear charges, insurance, etc. Please note that no additional costs will be paid by CNM on rentals under this Invitation unless these potential additional costs have been identified in the original offer.

37. **PUBLIC INFORMATION.** All information, except that marked as confidential, will become public information at the time that the Bid is opened. Confidential information must be marked "CONFIDENTIAL" in red letters in the upper right hand corner of the sheets containing the confidential information. Price and information concerning the specifications cannot be considered confidential.

38. **REFERENCES MAY BE REQUIRED.** Bidder may be requested to furnish the minimum number of references requested herein. Failure to submit the information may result in your bid being considered non-responsive. Bidder, by furnishing these references, agrees to allow CNM to contact any person or organization listed, and to utilize information obtained in the evaluation of the bid response.

39. **RELEASES.** Upon final payment of the amount due under the terms of the resultant agreement, the Contractor shall release CNM, its officers and employees from all liabilities, claims and obligations arising from or under the terms of the resultant agreement. The Contractor agrees not to purport to bind CNM to any obligation not assumed herein by CNM unless CNM has expressly authorized the Contractor to do so and then only within the strict limits of that authority.

40. **REPLACEMENT PARTS.** The quality of all replacement parts shall be equal or greater than the quality of the original parts being replaced. All replacement parts shall be new unless otherwise agreed to in writing.

41. **REPORTS AND INFORMATION.** At such times and in such forms as CNM may require, there shall be furnished to CNM such statements, records, reports, data and information, as CNM may request pertaining to matters covered by all resultant agreements to this Invitation to Bid.
42. **RESIDENTIAL PREFERENCE.** In evaluating bids for purchases over $20,000 using State funds, residential preference of 5% will be used in compliance with Sections 13-1-21 of the New Mexico Statutes 1978 Annotated, Chapter 13. Federal law prohibits the use of residential preference when the expenditure involves Federal funds.

43. **RESPONSIBLE BIDDER.** CNM reserves the right to conduct any investigations deemed necessary to determine the responsibility of a bidder (i.e., prove that his/her financial resources, production or service facilities, personnel, service reputation and experience are adequate to make satisfactory delivery of the services, construction or items of tangible personal property described in the invitation for bids). Bidder shall provide audited financial statements if requested by CNM.

44. **RESPONSIVENESS OF BIDS.** Bidders are hereby expressly instructed that all bids in response to this solicitation shall meet all specifications and requirements of this solicitation.

45. **SEVERABILITY.** If any provision of the resultant agreement is found invalid or unenforceable, the remainder of the resultant price agreement will be enforced to the maximum extent permissible and the legality and enforceability of the other provisions of the resultant agreement will not be affected.

46. **SIGNATURE.** The response must be signed by an authorized representative in order for bid to be considered responsive. Compete and return the form labeled “Signature of Firm’s Authorized Representative” with bid response.

47. **SITE FAMILIARITY.** The contractor shall be responsible for thoroughly inspecting the site and work to be done prior to submitting a bid. The contractor warrants by this submission that he/she has thoroughly inspected the site and work to be done and that his/her offer includes all costs required to complete the work. The failure of the contractor to be fully informed regarding the requirements of this Invitation will not constitute grounds for any claim, demand for adjustment or the withdrawal of a bid after the opening.

48. **STATE AND LOCAL ORDINANCES.** The contractor shall perform work under the resultant price agreement in strict accordance with the latest version of all State and local codes, ordinances, and regulations governing the work involved. All materials and labor necessary to comply with the rules, regulations and ordinances shall be provided by the contractor. Where the drawings and or specifications indicate materials or construction in excess of the code requirements, the drawings and or specifications shall govern. The contractor shall be responsible for the final execution of the work to meet these requirements. In the event of a conflict between various codes and standards, the more stringent shall apply.

49. **STATUS OF CONTRACTOR.** The Contractor is an independent contractor performing services for CNM and neither he/she nor his/her agents or employees shall, as a result of the resultant agreement, accrue leave, retirement, insurance, bonding authority, use of CNM vehicles, or any other benefits, prerequisites or allowances normally afforded only to employees of CNM. The contractor acknowledges that all sums received under the resultant agreement are personally reportable by him/her for income, self-employment and other applicable taxes.

50. **SUBCONTRACTORS.** Any work subcontracted by the contractor shall require the prior written approval of the subcontractor by CNM.

51. **SUBMISSIONS OF SAMPLES/DRAWINGS/LITERATURE.** It may be necessary to test samples or have demonstrations to make an award. All samples, when required, shall be furnished free of expense to CNM. Returns shall only be made at the Bidder’s request and expense. Bid samples or descriptive literature shall not be submitted unless expressly requested; and, regardless of any attempt by a bidder to condition the bid, unsolicited bid samples or descriptive literature shall be submitted at the Bidder’s risk.

52. **TAXES.** CNM is exempt from Federal Excise Taxes and from New Mexico Sales Taxes on Materials, except construction materials used by a contractor. Services are not exempt. Taxes on services should be included as a separate line item and not included in your base price bid. Applicable taxes are excluded from the evaluation of the bid.

53. **TECHNICALITIES.** CNM reserves the right to waive any technical irregularities in the form of the bid of the low bidder which do not alter price, quality or quantity of the services, construction or items of tangible personal property bid.

54. **TELEGRAPHIC/FACSIMILE BIDS.** Telegraphic/Facsimile bids will not be considered. However, bids may be modified by telegraphic/facsimile notice, provided that the notice is received by the time and date specified for the closing.

55. **TERMINATION.** Termination for cause. If the contractor, for any cause, fails or omits to carry out the work in an acceptable manner, CNM may give notice in writing of such failure or omission and of a reasonable time within which to cure the deficiency. Contractor shall be required to take corrective measures within such time. Contractor's failure to comply with such notice and to cure the deficiency as provided in the notice shall subject the Agreement to immediate termination by CNM. In the event of a for-cause termination, CNM shall terminate the Agreement by delivering to the Contractor a written notice of termination. The effective date of termination shall be the date stated in the notice or, if no date is stated, then the date of delivery of the notice. Upon delivery of such notice, Contractor shall have the right to receive payment for services performed prior to termination date, including reimbursement then due.

Termination for convenience of CNM. On fifteen (15) business days written notice to Contractor, CNM may terminate the Agreement in whole or in part for its own convenience in the absence of any default by Contractor. In the event of a no-cause termination, CNM shall terminate the Agreement by delivering to Contractor notice of termination without cause specifying the extent to which performance of work under the Agreement is terminated and the date upon which such termination becomes effective. The effective date of termination shall be the date stated in the notice or, if no date is stated, then the fifteenth (15) business day after delivery of the notice. Within ten (10) calendar days of the effective date of termination, Contractor shall deliver to CNM all documents and any other materials developed under the Agreement. Upon delivery of such notice, the Contractor shall have the right to receive payment for services performed to termination date, including reimbursement then due.

56. **WITHDRAWAL OF BIDS.** Bids may be withdrawn by written notice, telegram or in person by a bidder or an authorized representative any time prior to the award. Bids requiring bid security may result in forfeiture of the security if the bid is withdrawn following the opening.

57. **WORKMANSHIP/COOPERATION.** All work shall be done in a neat, workman-like manner using acceptable equipment and methods. The contractor will cooperate with CNM and other contractors and coordinate his/her work involving other contractors through CNM's authorized representative.
1. Inspection and Audit. a. CNM may inspect, at any reasonable time, any part of Seller's plant or place of business which is related to performance of this Purchase Order. Acceptance of delivery shall not be construed to mean that materials, supplies or services furnished have been inspected. Final inspection of product and services will be made at the destination. Any testing or inspection procedures required by the specification are in addition to CNM's rights under this paragraph.

b. The Contractor shall maintain detailed time records which indicate the date, time and nature of services rendered. Contractor shall maintain detailed records of all materials or supplies delivered to CNM under this Purchase Order, including serial numbers and other appropriate identifiers. Such records shall be subject to internal and external audit. CNM shall have the right to audit billings both before and after payment. Payment under the resultant Agreement shall not preclude CNM from recovering excessive, erroneous or illegal payments previously made to the Contractor.

2. Warranties. Seller warrants the materials, supplies or services furnished to be exactly as specified in this order, free from defects in Seller's design, labor, materials and manufacture, and to be in compliance with any drawings or specifications incorporated herein and with any samples furnished by Seller. All applicable UCC warranties, express and implied, are incorporated herein.

3. Acceptance and Rejection. If prior to final acceptance, any materials, supplies or service are found to be defective or as not specified or, if, CNM is entitled to revoke acceptance of them, CNM may reject or revoke acceptance, require Seller to correct without charge within a reasonable time, or require delivery of substitutes at no additional cost in price at CNM's option. Seller shall reimburse CNM for all incidental and consequential costs related to unaccepted materials, supplies or service. Notwithstanding final acceptance and payment, Seller shall be liable for latent defects, fraud, or such gross mistakes as amount to fraud. Acceptance of performance shall not waive CNM's right to claim damages for breach.

4. Assignment. This order is assignable by CNM. Except as to any payment due hereunder, this order is not assignable by Seller without written approval of CNM.

5. Changes. CNM's Purchasing department may make changes within the general scope of this order by giving notice in writing and subsequently confirming such changes in writing. If such changes affect the cost of, or the time required for performance of this order, an equitable adjustment shall be made. No change by Seller shall be recognized without prior written approval of CNM's Purchasing department. Any claim of Seller for an adjustment under this paragraph must be made within thirty (30) days from the date of receipt of Seller's notification of such change, unless CNM waives this condition. Nothing in this paragraph shall excuse Seller from proceeding with performance of the order as changed hereunder.

6. Termination and Delays. CNM, by written notice stating the extent and effective date may terminate this order for convenience in whole or in part, at any time. CNM shall pay Seller as full compensation for performance until such termination: (1) the unit or pro rata order price for the delivered and accepted portion; and (2) a reasonable amount to be approved by CNM, and not otherwise recoverable from other sources by Seller, with respect to the undelivered or unaccepted portion of this order. Provided, however, compensation hereunder shall in no event exceed the total order price. Such amount will be limited to Seller's actual cost and may not include anticipated profits.

CNM may terminate this order by written notice in whole or in part for Seller's default if Seller refuses or fails to comply with the provision of this order, or fails to make progress so as to endanger performance and does not cure such failure within a reasonable period of time. In such event, CNM may otherwise secure the materials, supplies or services ordered, and shall be liable for damages sustained by CNM, including incidental and consequential damages.

If, after notice of termination, CNM determines Seller was not in default, or if Seller's default is due to failure of CNM, termination shall be deemed for the convenience of CNM. The rights and remedies of CNM provided in this article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this order.

As used in this paragraph, the word "Seller" includes Seller and its subsuppliers at any tier.

7. Equal Employment Opportunity. Contractor shall not discriminate with regard to hiring, termination or other incidents of employment on the basis of race, sex, national origin, religion, age or handicap.

8. Indemnification and Insurance. Seller assumes the entire responsibility and liability for losses, expenses, damages, demands and claims in connection with or arising out of any actual or alleged personal injury (including death) and/or damage or destruction to property sustained or alleged to be caused by the negligence of Seller or its agents, employees, subcontractors or consultants, except to the extent of liability arising out of the negligent performance of the work by or with misconduct of CNM. In any event, CNM's liability shall be subject to the limitations of the New Mexico Tort Claims Act. Seller shall indemnify and hold harmless CNM, its officers, agents, and employees from and all liability for such losses, expenses, damages, demands, and claims and shall defend any suit or action brought against any or all of them based on any actual or alleged personal injury or damage and shall pay any damage costs and expenses including attorneys fees, in connection with or resulting from such suit or action. Seller agrees that it and its subcontractors will maintain public liability and property damage insurance in amounts covering the above obligation and will maintain workers compensation coverage covering all employees performing this order.

9. Patent and Copyright Indemnity. Seller shall pay all royalty and license fees relating to deliverables within items ordered hereunder. In the event a third party claims that the sale, reproduction, manufacture, use, or sale of goods or items covered hereby infringes any copyright, trademark, patent, or other intellectual property rights, Seller shall indemnify and hold CNM harmless from any cost, expense, damage, or loss resulting therefrom.

10. Discounts. Any discount time will not begin until the materials, supplies, or services have been received and accepted and correct invoice received by CNM's Purchasing Department. In the event testing is required, the discount time shall begin upon the completion of the tests.

11. Penalties. The Procurement Code, Section 13-1-28 et seq., imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

12. Title and Delivery. Title to the materials and supplies passed hereunder shall pass to CNM at the F.O.B. point specified subject to the right of CNM to reject upon inspection. For any exception to the delivery date specified, Seller shall give prior notification and obtain approval from CNM's Purchasing Department. Time is of the essence and the order is subject to termination for failure to deliver on time.

13. Payment Charges. Late payment charges shall be paid in the amount and under the conditions stated in Section 13-1-158, NMSA 1978.

- Other Applicable Laws. Any provision required to be included in a contract of this type by any applicable and valid Executive order, federal, state or local law, ordinance, rule or regulation shall be deemed to be incorporated herein.

15. OSHA Regulations. The contractor shall abide by Federal Occupational Safety and Health Administration (OSHA) regulations and the State of New Mexico Environmental Improvement Board Occupational Health and Safety regulations that apply to the work performed under this Invitation. ALL PRODUCTS CONTAINING HAZARDOUS SUBSTANCES MUST BE PROPERLY LABELLED AND ACCOMPANY MATERIAL SAFETY DATA SHEETS. The contractor shall defend, indemnify and hold CNM free and harmless against all and claims, loss, liability and expense resulting from any alleged violations of said regulations including but not limited to fines, penalties, judgments, court costs and attorney fees.

16. Debarment/Suspension. In performing the services and/or furnishing the goods specified within this purchase order, the vendor/contractor certifies that it is not suspended, debarred or declared ineligible from entering into contracts with the Executive Branch of the Federal Government, any State agency or local public body; nor is in receipt of a notice of proposed debarment or suspension from the Executive Branch of the Federal Government, any State agency or local public body.

17. Applicable Law. Each party acknowledges that the New Mexico Procurement Code, NMSA 1978 13-1-28 through -199, as amended, applies to every CNM purchase or contract agreement of tangible personal property, services and construction, including participation made pursuant to this purchase order. Further, each party acknowledges that it will be responsible for claims or damages arising from personal injury or damage to persons or property to the extent they result from negligence of its employees or agents and that the liability of CNM shall be subject in all cases to the immunities and limitation of the New Mexico Tort Claims Act, NMSA 1978 41-4-1 through -2, as amended.
