If the contractor, for any cause, fails or omits to carry out the work in an acceptable manner, CNM may give notice in writing of such failure or omission and of a reasonable time within which to cure the deficiency. The bond must be executed by the bidder with a surety company authorized to do business in New Mexico or other suitable sureties approved by the State Board of Finance. The performance and payment bonds must be received by the buyer issuing the award within 14 days of the award and must reference this Invitation to Bid Number on the face of the documents.

65. PUBLIC WORKS BONDS. Performance bonds must meet the requirements of 13-4-18 NMSA, 1978.
1. Inspection and Audit. a. CNM may inspect, at any reasonable time, any part of Seller's plant or place of business which is related to performance of this Purchase Order. Acceptance of delivery shall not be considered acceptance of the materials, supplies or services furnished. Final inspection of product and services will be made at the destination. Any testing or inspection procedures required by the specification are in addition to CNM's rights under this paragraph.

b. The Contractor shall maintain detailed time records which indicate the date, time and nature of services rendered. Contractor shall maintain detailed records of all materials or supplies delivered to CNM under this Purchase Order, including serial numbers and other appropriate identifiers. These records shall be subject to internal and external audit. CNM shall have the right to audit billings both before and after payment. Payment under the resultant Agreement shall not preclude CNM from recovering excessive, erroneous or illegal payments previously made to the Contractor.

2. Warranties. Seller warrants the materials, supplies or services furnished to be exactly as specified in this order, free from defects in Seller's design, labor, materials and manufacture, and to be in compliance with any drawings or specifications incorporated herein and with any samples furnished by Seller. All applicable UCC warranties, express and implied, are incorporated herein.

3. Acceptance and Rejection. If prior to final acceptance, any materials, supplies or service are found to be defective or not as specified, or, if CNM is entitled to revoke acceptance of them, CNM may reject or revoke acceptance, require Seller to correct without charge within a reasonable time, or require delivery at an equitable reduction in price at CNM's option. Seller shall reimburse CNM for all incidental and consequential costs related to unaccepted materials, supplies or service. Notwithstanding final acceptance and payment, Seller shall be liable for latent defects, fraud, or such gross mistakes as amount to fraud. Acceptance of performance shall not waive CNM's right to claim damages for breach.

4. Assignment. This order is assignable by CNM. Except as to any payment due hereunder, this order is not assignable by Seller without written approval of CNM.

5. Changes. CNM’s Purchasing department may make changes within the general scope of this order by giving written notice to Seller and subsequently confirming such changes in writing. If such changes affect the cost of, or the time required for performance of this order, an equitable adjustment shall be made. No change by Seller shall be recognized without prior written approval of CNM’s Purchasing department. Any claim of Seller for an adjustment under this paragraph must be made in writing within thirty (30) days from the date of receipt of Seller of notification of such change, unless CNM waives this condition. Nothing in this paragraph shall excuse Seller from proceeding with performance of the order as changed hereunder.

6. Termination and Delays. CNM, by written notice stating the extent and effective date may terminate this order for convenience in whole or in part, at any time. CNM shall pay Seller as full compensation for performance until such termination: (1) the unit or pro rata order price for the delivered and accepted portion; and (2) a reasonable amount to be approved by CNM, and not otherwise recoverable from other sources by Seller, with respect to the undelivered or unaccepted portion of this order. Provided, however, compensation hereunder shall in no event exceed the total order price. Such amount will be limited to Seller's actual cost and may not include anticipated profits.

CNM may terminate this order by written notice in whole or in part for Seller's default if Seller refuses or fails to comply with the provision of this order, or fails to make progress so as to endanger performance and does not cure such failure within a reasonable period of time. In such event, CNM may otherwise secure the materials, supplies or services ordered, and Seller shall be liable for damages suffered by CNM, including incidental and consequential damages.

If, after notice of termination, CNM determines Seller was not in default, or if Seller's default is due to failure of CNM, termination shall be deemed for the convenience of CNM.

The rights and remedies of CNM provided in this article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this order.

As used in this paragraph, the word “Seller” includes Seller and its subsuppliers at any tier.

7. Equal Employment Opportunity. Contractor shall not discriminate with regard to hiring, termination or other incidents of employment on the basis of race, sex, national origin, religion, age or handicap.

8. Indemnification and Insurance.
