Where two or more units of the same class of materials and or equipment are required, the units shall be the products of the same manufacturer. Any manufacturer's data supplied with the items shall be submitted to CNM's authorized representative.

32. NON-PERFORMANCE PENALTIES. The offeror agrees to pay CNM an amount equal to $50.00 per day for each calendar day past the completion date specified in the resultant price agreement that completion or delivery is delayed. CNM may subtract this amount from any monies due to the contractor.

33. NUMBER FOR BID CLARIFICATION. The Bidder should include a local or toll-free number for bid clarifications. Failure to do so may result in the bid being declared non-responsive.
34. **PACKAGING.** Packaging of materials shall be suitable to insure that the materials are received in an undamaged condition. All material returns will be at the contractor's expense.

35. **PAYMENT DISCOUNTS.** CNM will take advantage of payment discounts offered whenever possible; however, payment discounts will not be used as a means to determine the lowest responsible bidder.

Failure to comply may result in removal from the list. An additional period may be requested elsewhere in this Invitation.

38. **POTENTIAL COSTS UNSPECIFIED.** The contractor shall include in his/her bid all material and labor costs known to be required to complete the work under this Invitation including any materials, labor or other costs that are not specifically identified in the specifications. Any unspecified costs should be identified and included as a separate item in the price bid.

39. **PUBLIC INFORMATION.** All information, except that marked as confidential, will become public information at the time that the Bid is opened. Confidential information must be marked "CONFIDENTIAL" in red letters in the upper right hand corner of the sheets containing the confidential information. Price and information concerning the specifications cannot be considered confidential.

40. **RELEASES.** Upon final payment of the amount due under the terms of the resultant agreement, the Contractor shall release CNM, its officers and employees from all liabilities, claims and obligations arising from or under the terms of the resultant agreement. The Contractor agrees not to purport to bind CNM to any obligation not assumed herein by CNM unless CNM has expressly authorized the Contractor to do so and then only within the strict limits of that authority.

43. **RESPONSIBLE BIDDER.** CNM reserves the right to conduct any investigations deemed necessary to determine the responsibility of a bidder (i.e., prove that his/her financial resources, production or service facilities, personnel, service reputation and experience are adequate to make satisfactory delivery of the services, construction or items of tangible personal property described in the invitation for bids). Bidder shall provide audited financial statements if requested by CNM.

44. **RESPONSIVENESS OF BIDS.** Bidders are hereby expressly instructed that all bids in response to this solicitation shall meet all specifications and requirements of this solicitation.

45. **SCHEDULE DELAYS.** If after award, the contractor becomes aware of possible problems that could result in delay in completion of the work on the agreed-to schedule; the contractor must immediately notify the Buyer or the designated representative. The initial notification of the delay may be verbal with a written confirmation, giving the probable cause and effect, with recommendations for alternate action. Nothing in this paragraph will be interpreted as relieving the contractor of his/her contractual obligations. However, failure to notify CNM promptly will be a basis for determining the contractor responsibility in an otherwise excusable delay.

46. **SEVERABILITY.** If any provision of the resultant agreement is found invalid or unenforceable, the remainder of the resultant price agreement will be enforced to the maximum extent permissible and the legality and enforceability of the other provisions of the resultant agreement will not be affected.

The contractor warrants by this submission that he/she has thoroughly inspected the site and work to be done and that his/her offer includes all costs required to complete the work. 50. **STATE AND LOCAL ORDINANCES.** The contractor shall perform work under the resultant price agreement in strict accordance with the latest version of all State and local codes, ordinances, and regulations governing the work involved. All materials and labor necessary to comply with the rules, regulations and ordinances shall be provided by the contractor.
