TO: All Offerors of Record

FROM: Charlotte Gensler, Director for Purchasing

SUBJECT: Addendum/Amendment #2 to P-296 for “Architectural Design Services for the Renovation of Phase II at 4700 Alameda.”

This addendum becomes part of the Contract Documents.

Bidders are required to acknowledge receipt of this Addendum in the space provided on the RFP Form SECTION F: Signature of Firms Authorized Representative.

1) The due date has been extended to Friday, February 19, 2010 at 3:00 pm local time.

2) The following scope has been added to basic services and the scope of work:

The project will also entail, the programming and design develop of the south entrance of 4800 Alameda. The project will include the possibility of new elevator, lobby and architectural modifications to provide CNM the ability to lease the south portion of 4800 Alameda. The project will require that the mechanical, electrical and other utilities be metered and serviced independently to allow for potential future lease options. This work may be added to the project based on funding and will be noted as an additive alternate to 4700 Alameda.
