AMENDMENT # 1

DATE: April 11, 2011

TO: All Bidders of Record

FROM: Gil Rivera, Buyer

SUBJECT: Amendment #1 to P-311, “Web Redesign Consulting”

This amendment becomes part of the Contract Documents and modifies the original bidding documents as noted below:

**Bidders are required to acknowledge receipt of this Amendment in the space provided in Section E.**

1. QUESTION: Can offers be provided from out of state or outside of the U.S.A?

   ANSWER: Yes. Firms located outside of New Mexico may offer a response to this RFP. Please note that all offers must include the total number of trips and associated travel costs for performing the work. All travel must be in accordance with CNM’s travel policy.

2. QUESTION: What is your current CMS?

   ANSWER: Our current CMS is Luminis Content Management from SunGard.

3. QUESTION: Are there any University websites you currently like?

   ANSWER: CNM chooses not to respond to this question at this time. CNM will review this information with the awarded respondent to this RFP.

4. QUESTION: What are three things you want people to feel when they view your website?

   ANSWER: See response to question 3 above.
5. **QUESTION:** What would be the target date to launch this Redesign (I see October 2012 But I imagine prior to this date?).

   **ANSWER:** The specific target date is to be determined; however, since the current CMS will no longer be supported beyond October 2012, implementation prior to this date is highly desired.

6. **QUESTION:** Is there a current budget you would like us to stay under for this project?

   **ANSWER:** Budget information will not be disclosed at this time.

7. **QUESTION:** Is there a need to include a mobile experience along with this redesign?

   **ANSWER:** We’d like to know about any mobile experience, but it is not required.

8. **QUESTION:** Could you please let me know the technical requirements for your project in the aspect of Microsoft SQL, ASP.NET or Windows based. Also, could you let me know your host server situation please?

   **ANSWER:** Any concert of Windows technologies will be considered. The current CMS is hosted on our own servers.

**Bidders are required to acknowledge receipt of this Amendment in the space provided in Section E.**

All other specifications, terms and conditions remain unchanged.
