
Spring Term Classes to Continue Online Through End of Term

All Spring Term classes that have transitioned to online/remote learning will continue online/remotely through the end of Spring Term classes, April 26. Faculty and staff will continue striving to make improvements in the student experience as we continue progressing. Please stay in regular contact with your faculty members.

Need Help with Your Distance Learning Class?

CNM employees are available to help you! [Click here](#) to access real-time support Monday through Friday from noon-6 p.m.

Registration Open for Intersession, Summer Term Online Classes

CNM's accelerated Intersession classes will begin as scheduled on April 27 and all courses offered will be online. Our Summer Term will start as scheduled on May 18, beginning with online classes only. CNM will continue to monitor developments related to COVID-19 closely with the intention of offering face-to-face classes at some point in the Summer Term when it's safe to do so. Registration for Intersession and the Summer Term is open now – find your courses at www.cnm.edu/schedule.

Please Check Your CNM Email Frequently – CNM Will Be Reaching Out to You to Provide Extra Support

Students, please check your CNM email frequently. In addition to your faculty members, our Student Services employees will be reaching out to you about advisement and other support services to help you successfully complete the Spring Term and be prepared to succeed in the Summer Term. If you have questions, these [Frequently Asked Questions for Students](#) are being updated regularly. And here are [resources for adjusting to online learning](#). You can also reach out to the [CNM Contact Center](#) by phone, email or online chat.

Scholarships Available for Students in Need

CNM has many scholarships available for students. If you're facing significant financial issues that are jeopardizing your ability to stay in school – such as insufficient funds to pay for rent, food, gas and electric – the [Rust Opportunity Assistance Scholarship](#) is open for applications. There are also many other [scholarships available](#) to help support students in covering the costs of a CNM education.

Need Wifi? CNM Makes Free WiFi Available in Specific Campus Parking Lots

The following pictures and descriptions show you where free wireless internet connections can be made from your vehicle in specific parking lots on CNM's primary campuses. You can access the CNM wireless network by using your CNM username and password. If you have questions, email itsservicedesk@cnm.edu.

Main Campus – Student Resource Center Parking Lot

CNM has installed and tested data network WiFi coverage in the parking lot just south of the Student Resource Center on Main Campus. The green area on the image below shows the best area for use of the data connections to CNM_SECURE and CNM_GUEST wireless networks. Here's a [Main Campus map](#).

Get Live Support on Remote Technologies Through Daily Virtual Sessions

Students, faculty and staff are invited to join live remote sessions with the CNM Technology Services and Training Center (TSTC). The TSTC will answer your questions and provide support on various remote collaborative technologies, such as WebEx meetings. The sessions are available daily, Monday through Friday, from 10 a.m. to 2 p.m. Access the sessions at <https://cnm.webex.com/meet/tstc>. For more info, email itsservicedesk@cnm.edu.

Spring Term Graduation Ceremony Will Take Place Through Interactive Online Format May 2

Instead of being at Tingley Coliseum, our CNM Graduation Ceremony will take place online through an interactive format at noon on May 2nd. For students who have already signed up for the ceremony, and those who are eligible to participate in the ceremony, more details will be coming soon. Graduating students will be provided instructions on how to participate in the virtual ceremony. Please email graduationceremony@cnm.edu with questions.

The Count is Still On! Don't Forget to Participate in 2020 Census

Census workers will not be visiting homes in the coming weeks as a result of COVID-19, but the Census is still taking place and it's crucial you participate. Why is the Census so important? Because New Mexico needs every individual to be counted in order to ensure our communities and state receive necessary funding for everything from schools to healthcare. [More information here.](#)

Resources for Students During COVID-19 Impacts

Here are some valuable resources and information that are being updated regularly, so please check them frequently for the latest information.

CNM Extends Deadline to Drop Classes

CNM has extended the deadline by one week for students to drop classes. The most recent deadline to drop of Friday, March 27, has been extended to Friday, April 3. Students are encouraged to consult with their faculty members if they're considering dropping to determine their best option.

Students Worried About Grades Might Have Credit/No Credit Option

Did you know that some classes allow students to change the grade they receive from a letter grade (A-F) to a credit/no-credit (CR/NC)? Would having this option help you to complete your classes? Here's some [additional information](#). Students can have up to nine credit hours of CR/NC with their degree. For more info, email connect@cnm.edu

April is Sexual Assault Awareness Month—Get Informed

To help the CNM community stay safe and informed about sexual assault, we've put together a resource page with information and contact info for CNM, state, and national resources. For more information, click [here](#).
