

RESIDENCY QUALIFICATION GUIDELINES

Central New Mexico Community College

You have been declared a **non-resident** of New Mexico for tuition purposes based on admissions information you provided to us. Continuing non-resident students can petition for a change in tuition classification by returning the residency petition and documentation supporting all residency requirements to Enrollment Services (original petition form required, no faxes). New students changing residency for the term you applied for only need to submit documentation correcting the condition(s) that made you non-resident. **All residency conditions must be met prior to the first day of the term. Residency will not be changed after the 15th day of the term. Any act from your prior admissions application (such as out-of-state overt acts) that caused your non-resident status must be proven to no longer exist.**

There are four basic residency requirements. Details about residency and many waiver forms are available on the web at <http://www.cnm.edu/depts/enrollment/registration/BasicResidencyRequirements.php>. All requirements must be met.

12 months consecutive residency. A student must physically reside in New Mexico for the 12 consecutive months immediately preceding the term.

The following can be used as waivers: see the web site above for conditions

1. marriage to a legal resident of NM;
2. person (their spouse and dependents) who lives in NM and works in a permanent full-time position;
3. NM resident who entered active duty military and returns to NM after separation (with restrictions);
4. Persons who move to NM for retirement.

financial independence

Students who are financially dependent upon parents or legal guardians who are nonresidents of New Mexico cannot be approved for residency

intent

Student must sign a written declaration of intent to relinquish residency in any other state and establish it in New Mexico

2 overt acts *supporting intent; any out-of-state overt act will result in non-resident status:*

1. If applicant is financially dependent, a copy of parents or guardians' previous year federal income tax
2. NM high school transcript confirming attendance within the past 12 months
3. NM drivers license or ID card issued prior to the first day of the term
4. proof of payment of NM state income tax for the previous year
5. evidence of employment in NM
6. NM vehicle registration
7. NM voter registration
8. proof of residential property ownership in NM
9. rental agreement in NM
10. utility bill in NM
11. other documentary evidence or reasonable explanation of residency as determined by CNM

Residency overrides: students meeting any of the following conditions can be granted resident status regardless of any of the above basic requirements (documentation required):

1. Any enrolled member of an American Indian nation, tribe or pueblo located wholly or partially in New Mexico
2. Any active member (spouse or dependent) of the armed forces including the national guard stationed in NM
3. *SB582 – any person who attended high school in NM for at least one year and received a HS diploma or GED from a NM institution regardless of immigration status.
4. *Part-time students enrolled in no more than six credit hours during Fall or Spring terms are billed out-of-district rates rather than non-resident rates. No petition is required.*
5. *Summer – non-resident students are billed out-of-district rates for all credit hours taken. No petition is required.*

Non-citizens of the United States who have applied for or obtained permanent resident status, or who serve on active duty in the armed forces of the United States, may be eligible for residency.*

RESIDENCY GUIDELINES - IN-DISTRICT OR OUT-OF-DISTRICT

Students qualifying for New Mexico residency status for tuition purposes are classified as in-district or out-of-district based on their permanent physical address. PO Boxes are not eligible for in-district rates.

Notification of changes to your residency status are emailed to your myCNM email address and posted in your myCNM account.
