

CENTRAL NEW MEXICO COMMUNITY COLLEGE

AGREEMENT OF FINANCIAL RESPONSIBILITY

I understand that my student account balance is my responsibility. By enrolling in courses at Central New Mexico Community College (CNM), I am making a financial commitment to pay the tuition and fee charges associated with this enrollment, in exchange for the education and other benefits provided by CNM. I further understand that tuition, fees, and any other charges to my account (including but not limited to bookstore charges, parking permits, and citations and health center charges) reflects a balance I owe for educational benefit and constitutes an educational benefit or loan that may not be dischargeable in bankruptcy proceedings pursuant to 11 U.S.C. § 523 (a)(8).

The following terms and conditions are financial requirements of each student's education for their registration for a term at CNM. The payment of tuition and fees is the obligation of the student. By processing a course registration a student acknowledges they have read and agree to the following terms and conditions:

- Registration constitutes a financial agreement between you and CNM for the tuition and fee charges.
- Once you formally register for classes, you assume the responsibility for understanding CNM's official policies concerning schedule changes, satisfactory academic progress, and the financial policies of CNM for the term of enrollment.
- Charges left unpaid for prior terms will result in disenrollment from your current term courses and no credit being given unless full payment is made or payment arrangements are made with the CNM Cashiers Office and documented in writing.
- In the event that you become delinquent in paying current charges or default in repaying overdue charges you will be liable for collection costs, including reasonable attorney's fees, and any other costs incurred by CNM to collect any monies due from you.
- Students withdrawing after the stated refund dates have passed remain liable for full tuition and fee charges. I understand that failure to attend classes does not constitute an official drop or withdrawal. If I decide not to attend any of my classes at CNM, I must drop or withdraw by the appropriate deadline date(s) to receive a tuition refund. If I fail to drop by these deadlines, I understand that I will be charged. Deadline dates can be found on the CNM website at: <http://www.cnm.edu/student-resources/class-schedule/parts-of-term>.
- In the event I am able to register for future term(s) because my current semester charges are not past-due, I understand that these current-term charges must be paid prior to the start date of any future term(s) to prevent disenrollment from those future terms(s).
- CNM accepts payment via student financial aid and third-party sponsorship, but the responsibility for payment remains with the student. It is your responsibility to keep track of your account balance and any funding sources. If financial aid is not granted or if third-party sponsors do not pay within a reasonable period, the student is required to pay the full amount due.
- I will maintain a current postal address to ensure receipt of all CNM correspondence.

If internal collection efforts have failed, my account may be sent to a collection agency and may be reported to one or more credit bureau reporting services. I agree to pay all collection costs including reasonable attorney's fees that CNM may incur in such collection efforts.

I authorize CNM and its respective agent(s) and contractors to contact me regarding my educational loan or my student account at the current or any future telephone number either provided or acquired for my cellular phone or other wireless device using automated telephone dialing equipment or artificial pre-recorded voice or text messages.

Text Communication Authorization:

I authorize CNM and its respective agent(s) and contractors to contact me via text message as an official form of communication. I assume responsibility for the accuracy of my listed CNM telephone number. (If at any time you would like to stop receiving text messages simply reply STOP.)
