### 2021-2022 Financial Aid Transfer Form

To be completed when transferring from another institution to CNM

Name (print) \_\_\_\_\_ Birthdate: \_\_\_\_\_ CNM ID# \_\_\_\_\_

*Students can receive financial aid at only one institution at a time. If you have received or have been awarded financial aid at another school this academic year, you must cancel your aid at the other school. However, canceling aid at another school does not automatically guarantee eligibility. **You may not have eligibility left to be awarded at CNM based on the amounts received at the other institution.***

*If you plan on returning to your previous school immediately after attending one term at CNM, your best option for financial aid is to ask about a Consortium Agreement through your previous school.*

**Please read the instructions carefully.** If you **did not** attend any other college or university during the 2021-2022 academic year (Fall 2021, Spring 2022 and Summer 2022), sign and date **Section I** and return this form to our office. **If you are transferring from another college or university, complete Section II.**

**Section I - To be completed by the student**

I certify that I did not attend any other colleges or universities during the 2021-2022 academic year. I understand that if I receive financial aid at Central New Mexico Community College, and it is discovered that I received aid at another school, my aid will be canceled and I will be responsible for the resulting charges.
