ARTICLE 1: AGREEMENT

This Agreement is entered into between the Central New Mexico Community College, hereinafter referred to as the College, and the CNM Employees Union, hereinafter referred to as the Union. It is the general purpose of this Agreement to promote harmonious relations between the Union and the College; to establish a peaceful procedure for the resolution of differences and to establish rates of pay, hours of work, and other terms and conditions of employment.

ARTICLE 2: RECOGNITION

- 2.1 The Governing Board of the College hereby recognizes the CNM Employees Union as the exclusive representative for all full-time faculty for the purposes set forth in the Board's Collective Bargaining Policy. It is understood that an employee hired in a faculty capacity on a temporary or limited term basis is not covered by this Agreement for a period of two years from the date of hire.
- 2.2 In accordance with the Public Employee Bargaining Act, the faculty bargaining unit was established prior to July 1, 1999 and shall continue to be recognized as an appropriate bargaining unit for the purpose of the Public Employee Bargaining Act.
- 2.3 This recognition is based upon the CNM Labor Management Relations Board Second Amended Certification of Representative dated April 22, 2015. If the College establishes a position that either party believes should be included within the full-time faculty bargaining unit, the new position will be incorporated into the bargaining unit if the parties agree to the inclusion and/or the CNM Labor-Relations Board rules that the position belongs in the unit.

ARTICLE 3: DEFINITIONS

Unless otherwise specifically defined elsewhere in the agreement, the following definitions shall be applicable throughout the Agreement:

- 3.1 AGREEMENT - This contract is between the Governing Board and the Union.
- 3.2 COLLEGE -- shall mean the Central New Mexico Community College or CNM.
- 3.3 UNION-- shall mean the CNM Employees Union.
- 3.4 EMPLOYEE -- shall mean an employee within the bargaining unit for which the UNION has been recognized as exclusive representative.
- 3.5 DAYS -- shall mean Monday through Friday except for holidays which are observed by the College, unless otherwise defined in this Agreement.
- 3.6 POLICY -- The Board's Collective Bargaining Policy (Governing Board Resolution 2020-53)
- 3.7 WORKSITE REPRESENTATIVE -- a Union member who is designated by the Union to

represent the Union.

3.8 PRESIDENT -- The chief executive officer of CNM.

ARTICLE 4: NEGOTIATIONS PROCEDURES

- 4.1 Negotiations will be conducted at locations, times and dates that are mutually acceptable to the parties.
- 4.2 Negotiations will be conducted in closed sessions.
- 4.3 Unless otherwise agreed to by the parties the Union and the College shall each identify a maximum of seven (7) members of their respective negotiations teams prior to the commencement of negotiations.
- 4.4 Recesses, caucuses or study sessions may be called by either side at any time.
- 4.5 All tentative agreements shall be reduced to writing by the parties and initialed by their respective chief negotiators. Tentative agreements shall remain tentative until the entire agreement is agreed to by the parties and ratified in accordance with the procedures identified by each of the parties. Tentative agreements are conditional and may be withdrawn should subsequent discussions change either team's understanding of the language as it relates to another part of the agreement.
- 4.6 Each negotiation team shall be authorized to bargain in good faith and initial tentative agreements. Final agreement on a collective bargaining agreement shall be reached when each side obtains ratification of the proposed agreement from its respective constituencies.
- 4.7 Because negotiations are conducted in closed sessions this provision prohibits the public airing of any issues or the progress in the negotiations. This includes, no press releases regarding progress on negotiations shall be made without the mutual consent of the parties. The parties reserve the right to communicate with their constituencies in a manner consistent with preserving the confidential nature of the negotiations. The parties agree that details of proposals may be reviewed with each party's respective executive decision makers and that these details will remain confidential to the larger constituencies. Communications with the larger constituencies shall be limited to general identification of the issues under discussion. In the event of an impasse, the parties will confer regarding press releases until the fact-finder has issued a decision.
- 4.8 Either party may initiate negotiations for a successor agreement by providing the opposite party written notice of its intent to commence negotiations no sooner than one-hundred and twenty (120) calendar days or later than thirty (30) calendar days prior to the expiration of this Agreement. The parties will accelerate the scheduling of negotiations in order to maximize their ability to conclude negotiations by the expiration date of the contract.
- 4.9 Additional negotiations procedures and ground rules may be negotiated by the parties at the

commencement of negotiations.

- 4.10 In the event an impasse has been declared and fact-finding has been requested, upon conclusion of the fact-finding hearing, the fact-finder shall recommend only the last best final offer of one the parties as presented at the final mediation session. The fact-finder shall present his/her recommendations and report to the parties. Upon receipt of the fact-finders report and recommendations, the parties will meet within 10 days.

ARTICLE 5: AGREEMENT CONTROL

- 5.1 If any College policy, regulation or directive is in specific conflict with any provision of this Agreement, the Agreement shall control.
- 5.2 This Agreement may only be modified or waived through a written agreement between the College and the Union.
- 5.3 The parties (CNM, the Union, and bargaining unit employees) will abide by the conditions of this Agreement and all other CNM policies, rules, regulations, and practices. CNM reserves the right to amend said policies, rules, regulations and practices so long as such amendment does not specifically conflict with any provision of this Agreement. College policies, rules, regulations and practices other than this Agreement are not subject to the grievance procedure contained in this Agreement. Said policies, rules, regulations and practices shall not be interpreted as being an extension of this Agreement. If this Agreement is silent on a particular issue it shall be considered a retained management right and is not subject to the grievance procedure contained in this Agreement. The parties acknowledge that this does not prohibit the Union from raising issues covered by these policies in negotiations for a successor agreement, or in the Faculty/Management Committee during the term of this Agreement.
- 5.4 Non-compliance with the provisions of this Agreement shall be considered a violation of College policy.

ARTICLE 6: SEVERABILITY

If any provision of this Agreement is determined by final order of a court or administrative agency with jurisdiction over the parties to be contrary to law, the affected provision shall be rendered null and void. All other provisions not affected by the illegal provision shall remain in full force and effect.

ARTICLE 7: GRIEVANCE PROCEDURE

7.1 PURPOSE

The purpose of this grievance procedure is to secure, at the lowest possible administrative level, equitable solutions to problems that arise and are subject to this procedure. To the extent allowed by law, the Union and the employees agree that this grievance procedure shall be the exclusive forum for challenging any alleged violation of any provision of this Agreement. To the extent allowed by the law, the Union and the employees waive any other right they have or

may have to challenge any right or benefit set forth in this Agreement in another forum. This is the only grievance or appeal procedure for the employees covered by this Agreement regarding any right or benefit provided by the College.

7.2 DEFINITIONS

7.2.1 A “grievance” shall be defined as an allegation that a violation of any provision of this Agreement has occurred.

7.2.2 A “grievant” shall be any faculty member, group of faculty or the Union.

7.2.3 “Days” shall mean Monday through Friday except for holidays, which are observed by the College.

7.3 PROCEDURES

7.3.1 The number of days indicated at each level of this procedure shall be considered maximum and every effort shall be made to expedite the process.

7.3.2 Grievance proceedings shall be kept informal at all levels of this procedure.

7.3.3 If the College fails to comply in writing or with its time limit requirements as set forth under any of the procedure steps, the grievance shall be considered automatically appealed to the next level of the procedure.

7.3.4 If the grievant fails to comply with the grievant’s time limit requirements, as set forth under any of the procedure’s steps, the grievance shall be considered null and void.

7.3.5 The time limits set forth herein may be extended provided the extension has been mutually agreed upon in writing by the parties.

7.3.6 A grievance shall not be considered unless the grievant initiates the grievance no later than fifteen (15) days after the grievant knew or reasonably should have known of the action, which precipitated the grievance.

7.3.7 No reprisal or retaliation shall be taken against any person who participates in this procedure.

7.3.8 A grievant may be accompanied and represented by the Union and the charged party may be represented by a person of the party’s choice at any hearing or meeting conducted under this procedure.

7.3.9 The parties may facilitate any investigation which may be necessary in order to expedite the process and provide information which is relevant to the issues addressed in the grievance. This investigation may include the sharing of relevant documents, facts, records and data in the possession of either party.

- 7.3.10 An employee, acting individually, may present a grievance without the intervention of the Union provided the grievance has been processed in accordance with this procedure. The grievant shall be responsible for notifying the Union in writing that a grievance is being filed. At any hearing or meeting related to a grievance brought individually by an employee, the Union shall be afforded the opportunity to be present and make its views known. Any adjustment made shall be consistent with the provisions of this Agreement.
- 7.3.11 If a grievance affects a group of two or more employees or involves a decision or action by the College, which has a departmental or College-wide impact, the Union may submit the grievance on behalf of the affected employees at Level 2 of this procedure. The parties may submit this grievance at Level 1 if the affected employees have the same supervisor.
- 7.3.12 All documents related to a grievance shall be maintained in a separate grievance file. This provision does not include disciplinary actions and/or documents that are the subject of a grievance.
- 7.3.13 Unless otherwise agreed to by the parties, grievances shall be processed at times other than during scheduled workload hours.
- 7.3.14 All decisions shall be submitted in writing at each step of the grievance procedure and the decision shall be submitted to both the grievant and the Union.
- 7.3.15 Grievances shall be filed on forms approved by the parties.
- 7.3.16 The parties shall maintain confidentiality for all grievance proceedings and for documents required by law to be kept confidential. If a grievant or the Union violates this provision, this action will be a waiver by the grievant and/or Union of any confidentiality right the grievant may have which is related to the grievance.
- 7.3.17 The parties to a grievance may mutually agree to toll the procedure's time limits in accordance with sub-paragraph 5 herein and attempt to mediate the dispute. If the parties agree to mediate the grievance, the College and the Union shall ask the Federal Mediation and Conciliation Service (FMCS) to assign a mediator. If the FMCS cannot assign a mediator in a timely manner, the parties may jointly choose another mediator. If either party wishes to terminate the mediation process and reinstate the time limits of the grievance procedure, the initiating party will notify the other party in writing of the intent to return the grievance to the procedure.

7.4 LEVEL 1

- 7.4.1 The grievant and/or the Union shall submit the grievance in writing to the Department Dean during an informal meeting. To be considered, the grievance must be filed in accordance with the fifteen (15) day time limit contained in 7.3.6 of this Agreement and contain at a minimum the provision(s) of this Agreement alleged to be violated, a description of the facts that led the grievant to believe there has been a violation of the

Agreement, the dates and known times of the incident that the grievant believes precipitated the grievance, all known witnesses, and the relief requested. The grievant may be accompanied and represented by the grievant's Union representative in accordance with section 7.3.8 herein. If the grievance does not comply with all the provisions of this grievance procedure it shall be null and void. The Dean shall respond in writing to the Union and the grievant no later than fifteen (15) days after the informal meeting during which the Union and the grievant submitted the written grievance.

7.5 LEVEL 2

- 7.5.1 If the grievant is not satisfied with the results of Level 1, the grievant or the Union may submit the grievance in writing to the Vice-President for Academic Affairs. To be considered, the grievance must be filed within ten (10) days of the response from the dean and contain the provision(s) of the Agreement allegedly violated, a brief description of the facts which led the grievant to believe there has been a violation of the Agreement and the relief requested.
- 7.5.2 No later than ten (10) days following receipt of the grievant's written grievance, the Vice-President for Academic Affairs shall submit a written response to the grievance. The response shall be submitted to the grievant and the Union
- 7.5.3 If the parties agree the Vice-President for Academic Affairs does not have the authority to resolve the grievance, the grievant or the Union may initiate the grievance with the Human Resources Executive Director at Level 3. The written grievance and time limit requirements set forth under Levels 1 and 2 above shall be followed if this alternative is used.

7.6 LEVEL 3

- 7.6.1 If the grievant is not satisfied with the Vice-President's written disposition, the grievant or the Union may appeal the grievance in writing to the Human Resources Executive Director or the Human Resources Executive Director's designee no later than ten (10) days after the grievant received the Vice-President's response.
- 7.6.2 No later than ten (10) days following receipt of the grievant's appeal, the Human Resources Executive Director or the Human Resources Executive Director's designee shall schedule in a timely manner a meeting in an attempt to resolve the grievance. Each party shall be entitled to bring documents and/or witnesses to the meeting in order to present evidence on their behalf. Each party shall have the right to cross-examine witnesses brought by the other party. Each party shall assume its own costs including the costs of witnesses. Evidence and documents introduced shall be available for photocopy by the other party at their own expense.
- 7.6.3 No later than ten (10) days following the close of the meeting set forth under section 7.6.2 of this article, the Human Resources Executive Director or the Human Resources Executive Director's designee shall submit a written decision on the grievance to the

grievant and the Union.

7.7 ARBITRATION

- 7.7.1 If the grievant and Union are not satisfied with the Level 3 disposition, the grievant may appeal the grievance to arbitration no later than ten (10) days following receipt of the Level 3 disposition by the grievant. Once the ten (10) days have expired, if no arbitration request has been submitted as provided for herein, the grievance shall be considered null and void and the College shall have no obligation to schedule grievance meetings and arbitration.
- 7.7.2 The grievance will be appealed to arbitration by the submission of a written request by the Union to the Federal Mediation and Conciliation Service (FMCS) for a list of seven arbitrators. A copy of the request shall be sent to the College by the Union at the same time the request is filed with the FMCS. The request shall not include any special requirements for the arbitrator unless mutually agreed upon by the parties. Each party retains the right to request a second list of arbitrators from the FMCS.
- 7.7.3 The parties shall alternatively strike names on the list until there is one name remaining who shall be the arbitrator. A coin flip shall determine which party will strike first.
- 7.7.4 The arbitrator shall conduct the hearing as soon as possible following the selection of the arbitrator.
- 7.7.5 Issues related to the arbitrability of a grievance shall be decided by the arbitrator.
- 7.7.6 The arbitrator's decision shall be submitted to the College and the Union no later than thirty (30) days after the conclusion of the hearing.
- 7.7.7 The arbitrator's decision shall be in writing and shall include the arbitrator's decision, rationale and, if appropriate, the relief. The arbitrator shall not have the authority to expand, or add to, the rights employees, the Union, or the College have under the terms of this Agreement.
- 7.7.8 The arbitrator's decision shall be final and binding on the parties subject to appeal in accordance with the Uniform Arbitration Act (Chapter. 44, NM Stat. Ann. 1978).
- 7.7.9 The arbitrator's fees and costs shall be shared equally by the parties. All other expenses shall be assumed by the party incurring the costs, including the cost of witnesses.

ARTICLE 8: NON-DISCRIMINATION

The parties to this Agreement (the Union and the College) agree that neither the Union nor the College's respective policies or activities will discriminate against any employee based upon race, age, gender, color, national origin, religion, ancestry, marital status, sexual orientation, Union or non-Union affiliation, United States military veteran's status or disability.

ARTICLE 9: PARKING

- 9.1 Employees will be given the first opportunity before students to purchase parking permits for paid on campus lots. Effective Fall Semester 2020, employees who wish to purchase a permit, will be required to purchase the permit on line.

ARTICLE 10: EMPLOYEE RIGHTS

- 10.1 The College reserves the right to investigate allegations of employee misconduct and poor performance.
- 10.2 An employee may be placed on administrative leave during an investigation involving the employee. Administrative leave shall be leave with pay. The College considers it unethical, and it is a violation of this contract for faculty involved in disciplinary actions to involve his or her students in these disputes, unless those students are integral in the dispute.
- 10.3 During an employee investigation, no documentation related to the matter will be placed in the employee's official personnel file. The employee will be provided the opportunity to respond to charges and a brief summary of the evidence supporting the charges prior to the imposition of disciplinary action.
- 10.4 An employee shall be reprimanded or suspended without pay only for just cause. A grievance filed by an employee who has not completed seven (7) terms of employment with the College as a full-time faculty member, which alleges a violation of this provision, may be processed through Level 3 of the grievance procedure herein, but shall not be subject to the arbitration procedure contained in Article 7.7 herein. The College's action at Level 3 shall be final and binding on all parties.
- 10.5 During an employee's initial seven (7) terms of employment with the College as a full-time faculty member, the employee may be terminated at the will of the College. The College's action shall be final and binding on all parties and shall not be subject to the grievance procedure.
- 10.6 Following completion of seven (7) terms of employment with the College as a full-time faculty member, an employee may be reprimanded, placed on probation, suspended without pay, or terminated only for just cause. The College's action shall be subject to the Agreement's grievance procedure. The grievance procedure shall be the exclusive remedy of an employee and the Union to challenge the College's action. The College shall provide the employee with written notice of termination as soon as possible but no later than ten (10) days prior to the effective date of termination. The notice shall include the reason(s) for the termination.
- 10.7 For the purposes of this Article, the following definitions shall apply:
- 10.7.1 "Termination" shall mean any adverse employment action by the College which results in an involuntary severance of an employee's employment status with the College.
- 10.8 An employee may be accompanied by a Union representative at a grievance procedure meeting as provided under this Agreement's grievance procedure, a meeting at which discipline is

considered or the employee will receive formal charges against the employee, a meeting which results in the issuance of a written reprimand against the employee, or a meeting initiated by the employee and the supervisor agrees with the employee's request for representation. An employee, supervisor, Union representative, or Human Resource representative may tape record any grievance meeting but must first reveal that the meeting is being recorded.

10.9 Time spent on full leave without pay or a full summer workload reduction (including reductions based upon offsets worked) shall not count as time worked for the purposes of complying with the seven (7) term requirement contained in this Article.

10.10 COPYRIGHTS

10.10.1 The College regards copyrightable material such as but not limited to a book, manual, musical or dramatic composition, architectural design, painting, sculpture or other comparable work developed by an employee as the property of the employee (author) unless:

The material is prepared under a grant or contract with specified ownership; or the material is prepared as a specific part of the employee's College assignment. An employee's general desire to produce occupational or scholarly works is not such a specific College assignment.

10.10.2 The copyright in materials created by an employee within the scope of employment are owned by the College under the "work made for hire" doctrine unless otherwise noted in this Agreement. The College exempts the following materials from the scope of "work made for hire" doctrine, subject to the guidelines expressed herein.

- Course syllabi
- Lecture Notes
- Digital presentations
- Class Assignments
- Exams
- Supplemental materials

The College retains the right to use the exempted materials for its own non-commercial educational purposes.

10.10.2.1 Exempted materials may be utilized:

- For the instructor's own scholarly purpose;
- To teach courses at public institutions of higher learning;
- For teaching at another educational institution after separating employment with CNM;

10.10.2.2 Exempted materials may not be utilized:

- To teach courses at for-profit colleges or universities and

- To teach courses for commercial purposes.

10.10.3 In any case where an employee in the development of a copyrightable work intended for commercial dissemination has made extensive use of College resources, such as computer time, staff personnel, supplies, equipment or facilities, but not including the use of library facilities or office space, his/her supervisor or department dean may require the employee to reimburse the College for any portion of such use.

When a commercial enterprise is undertaken, the employee should consult his/her supervisor or department dean in advance to determine whether and to what extent reimbursement is appropriate. Reimbursement may be made by assignment of a portion of the royalties produced by the commercial venture, lump sum payment or any other mutually agreeable arrangement.

10.10.4 Any dispute as to the issue or extensive use of copyrighted material, or as to the amount or method of reimbursement for use of College resources in preparing copyrighted material, may be appealed from the supervisor to the department dean or from the department dean to the vice president for instruction.

10.10.5 The vice president for Academic Affairs is responsible for the interpretation and implementation of the copyright policy for the College. Decisions of the vice president may be appealed to the president.

10.10.6 During the term of this Agreement the Union may submit information for review by the Faculty Management Committee copyright policies involving lecture materials, on-line teaching resources, and similar intellectual property of CNM's peer institutions.

10.11 PATENTS -- The College encourages efforts by employees that might result in the creation of intellectual property which may be protectable by patent. The College recognizes that such efforts can be of value both to the College and the employee. Because such efforts often involve a combination of employee/College resources, it is appropriate for the College and the affected employee to have a policy that is mutually beneficial.

10.11.1 The College shall not claim rights to any invention resulting from efforts that are in no way supported by the College, or to which the College's contribution was negligible.

10.11.2 The College shall have the right, title and interest to an invention, including the sole right to file patent applications thereon and the right to waive all or part of such right, where:

the invention was conceived or first actually reduced to practice in the performance of work under an agreement with the College, or under an agreement of the College with any third party;

the invention was directly related to the employee's duties at the College; or

the invention was made with more than a negligible contribution of College funds,

facilities, personnel, equipment or technical information.

- 10.11.3 Each invention shall be submitted to the vice president for Finance and Operations for a determination as to ownership rights, according to the following procedure:

The inventor shall report the invention in writing as soon as possible after work on the project commences and preferably within two months after conception or first actual reduction to practice, whichever occurs first. The report shall include a description of the invention, a statement describing the facts and circumstances of the invention process, and a written statement of concurrence from the appropriate dean or director.

The vice president for administration shall make an official determination as to ownership rights within 60 days of receipt of the information in (10.11.3) above.

In the event the employee disagrees with the determination of the vice president for administration, the employee may within 20 working days of the date of the vice president's determination, appeal the determination to the president. The president may in his discretion appoint an ad hoc panel, which will review all relevant acts and circumstances and make recommendations to the president for final determination. The president will issue a determination of the employee's appeal within 60 days of receipt of the appeal.

- 10.11.4 It is within the sole discretion of the College to file an application for patent on any invention in which it has ownership interest. Likewise, it is within the sole discretion of the College to waive all or part of its right to any invention, including the filing of an application for patent. The terms and conditions of any waiver by the College, of any of its rights to an invention shall be a matter of negotiation between the College and the employee, and shall be determined on a case-by-case basis.

- 10.11.5 If the College determines to file a patent application in the United States or in foreign countries, the inventor shall at all times cooperate as requested by the College to assist in the preparation, filing and prosecution of patent application and the issuance and maintenance of any patents issuing. Costs relating to the patent application shall be borne by the College. Net revenues received by the College – including option fees, license fees, royalties and commissions of any description – resulting from the exploitation of the invention, shall be shared 50% with the employee after deduction of all out-of-pocket costs incurred by the College, in the course of obtaining issuance and maintenance of the patent.

- 10.11.6 To the extent possible the employee and the College shall identify the employee's and the College's property rights prior to the implementation of a program.

- 10.12 An instructor shall be entitled to temporarily remove a student from his/her class when the instructor's safety, the safety of the student or the safety of other students is threatened or when the student disrupts a class. The instructor of record shall be provided the opportunity to be

consulted and involved in the final disposition of the student's continued enrollment in the class.

- 10.13 The parties agree that all employees in the designated bargaining unit are entitled to all of the rights and privileges delineated in this Agreement. There shall be no rights implied beyond the specific terms of this Agreement and the Union shall be exclusive representative for the representation of those rights.
- 10.14 The College and the Union recognize that the primary function of instructors currently designated as Department Chair is to support the teaching mission of the institution; thus, nothing in this Agreement shall limit the number of course releases they may receive in a semester or over the course of the year so that they may effectively perform their duties.
- 10.15 In order to ensure the continuity of instruction, full-time faculty who resign for non-disciplinary reasons are encouraged to complete their teaching assignments by making the effective date of resignation the end of the term.

ARTICLE 11: EMPLOYEE EVALUATIONS

- 11.1 The primary purpose for employee evaluations shall be the improvement of performance.
- 11.2 Each employee shall have an annual written evaluation using a College approved format. At will (trial period) employees will meet once per term with the Dean, Acting Dean, or Associate Dean to discuss job performance. This language shall not in any way prevent the College from exercising its right to terminate an at will employee.
- 11.3 Student evaluations will continue to be an element of employee evaluations. The faculty member shall review end of course student evaluations and where appropriate address any concerns. The Dean shall be responsible for assessing and determining the validity of student criticism.
- 11.4 If a supervisor identifies an employee behavior, which the supervisor determines to be in need of remediation and does not rise to the level of an issue that requires immediate attention, the observed behavior shall be discussed with the employee and if the problem is not remedied it will be submitted to the employee in writing. Problem behaviors could include, but are not limited to, consistently low scores in: student evaluations, student course success rates, and expectations referenced in Article 17.2 The supervisor may assist the employee in developing a solution to the problem and a reasonable time period for improvement to take place. This provision shall not be interpreted in a manner, which prevents the College from taking disciplinary action against an employee.
- 11.5 Prior to the completion of any written evaluation, the supervisor shall offer a conference with the employee to discuss the employee's evaluation.
- 11.6 The employee may submit a written response to any evaluation. The response shall be attached to the evaluation. If the response and any attachments is more than two pages, the employee must submit the material electronically.

11.7 The evaluation and supervision of employees shall be used only for legitimate business purposes.

ARTICLE 12: REDUCTION-IN-FORCE (RIF)

- 12.1 Because the College's staffing must be expanded and/or reduced for good faith reasons identified by the College including, but not necessarily limited to, fluctuations in enrollment or availability of funding, it may be necessary to reduce the number of employees or re-assign employees from full-time to partial RIF status.
- 12.2 If the elimination or cutback of an instructional program for two (2) terms or more is determined necessary by the College and results in either a lay off or reduction to partial RIF status of any employee, the Institution shall inform the Federation and the effected employees of the anticipated lay-off or reduction in writing no less than twenty (20) calendar days prior to the implementation of the layoff or reduction. If the elimination or cutback is for less than two (2) terms the employees and the Federation will receive prompt notice. The Federation shall be provided the opportunity to submit a written plan to the College setting forth a plan how the lay-off or reduction may be avoided no less than five (5) days after receiving the written notice from the College. If the Federation does not respond within the five (5) day period, the College shall not be prevented from proceeding with its anticipated lay-off or reduction. The College shall consider the Federation's plan before implementing the RIF or any other plan.
- 12.3 Prior to the implementation of a lay-off or reduction to partial RIF status, the affected employee(s) will be re-assigned to another bargaining unit position(s) for which the employee(s) is (are) qualified if such positions are available. Additionally, if fully qualified, the affected employee may be assigned courses or assignments outside their academic discipline or in other departments.
- 12.3.1 An employee may be assigned alternative duties by the department in order to eliminate or decrease the need for a layoff or reduction to partial RIF status. 27.9 Court Leave

27.9.1 An employee shall be granted leave with pay for service or appearance at a legal proceeding including jury duty or a response to a subpoena or other legal proceeding which requires the employee's absence from duty for other than personal matters. The employee shall make arrangements with the College for the endorsement by the employee to the College of any per diem check received from the court. Amounts received for mileage and expenses may be retained by the employee.

27.9.2 An employee who needs to appear at a legal proceeding to assert or protect the employee's own interests may be eligible to use accrued paid personal leave for these purposes. If the employee does not have accrued paid personal leave, the employee may be eligible to use leave without pay.

27.9.3 This leave may not be used by an employee pursuing a claim or called to testify against the College.

27.10 Military Leave. An employee shall be granted up to 15 days of paid military leave per year if the employee is required to report for service with any branch of the United States Armed Forces, including the National Guard or Reserves. If the military pay is less than an employee's salary during the leave period, the College will pay the difference.

27.11 Leave Without Pay

27.11.1 An employee may be granted an unpaid leave of absence outside the Family Medical and Leave Act when such leave is determined to be in the best interests of the College. Leave for the purpose of taking employment with another employer is not in the best interest of the College, however extended unpaid leave on a per term basis for the Union President to work for the Union will be allowed with reasonable notice.

27.11.2 Upon return from the leave, the employee may be reassigned to an equivalent job title within the bargaining unit. No guarantee is made that the employee will have the same or substantially similar duties or schedule upon his/her return.

27.11.3 The leave shall not exceed one (1) year.

- 27.11.4 An employee with less than three (3) years of service with the College who takes this leave may continue enrollment in College insurance plans provided the employee pays 100% of the insurance premiums during the time spent on the leave.
- 27.11.5 An employee with three (3) years or more service with the College who takes his leave may continue enrollment in the College's insurance plans by paying in advance the employee's share of the insurance premium for the first 105 calendar days of the leave. For a leave extending beyond 105 calendar days, the employee on leave shall pay 100% of the premium costs in order to remain enrolled with the College's insurance plans.

27.12 Substitute Procedures

- 27.12.1 An employee who plans to be absent shall obtain the appropriate approved leave and make plans for the coverage of missed classes. The practice of "collegial coverage" (i.e., the voluntary coverage by an employee of another employee's class) during an employee's absence may be used if approved by the employee's dean or dean's designee provided the employee acquires approved leave.

An employee may utilize "flex time" for the rescheduling of office and/or preparation time as a result of an absence provided the scheduling is programmatically sound, the time is rescheduled within a six (6) instructional day period before or after the originally scheduled time, and the request is approved by the employee's dean or dean's designee. Flextime does not require the use of accrued leave.

- 27.12.2 When an employee's absence is caused by illness or another emergency, the employee shall notify the department office, the dean or the dean's designee as soon as possible. If the office is closed and the dean or the dean's designee cannot be located, the employee shall contact the control center and leave the required information.

27.13 Absence Without Leave

- 27.13.1 An employee's failure to notify the College of an absence for three (3) consecutive days shall be regarded as abandonment and a voluntary resignation by the employee except as provided herein.
- 27.13.2 The requirement set forth in 26.13.1 above shall only be waived when the employee is prevented from providing notification by events beyond the employee's control. As a condition for reinstatement, the employee shall be required to demonstrate that notification was provided as soon as possible.

ARTICLE 28: INSURANCES

- 28.1 The College shall continue to offer group health, disability, dental, vision and life insurance options to employees.
- 28.2 The College's premium contribution for the group health, disability, dental and vision plans shall

be governed in accordance with applicable law. The College shall continue to pay 100% of the basic life insurance plan and long term disability (LTD. Effective January 1, 2022, employees will be required to pay 100% of the LTD premium. Both parties agree to revisit this issue prior to CNM open enrollment period for insurance changes for January 2022.

28.3 Employees shall continue to be permitted to participate in tax-deferred annuity and cafeteria plans on a voluntary basis in accordance with College procedure.

28.4 Employees who participate in voluntary life insurance shall pay 100% of the premium.

28.5 Employees who choose to participate in these insurance programs will have their premium payments deducted through payroll deductions for all coverage. Employees who do not receive a paycheck for any reason or receive checks that do not cover all benefit premiums, will be responsible for making the required premium payments in order to retain insurance coverage. Employees will be given the opportunity to pay the missed premium before coverage is cancelled. At a minimum, notice of the requirement to pay missed premiums will be sent via CNM email.

ARTICLE 29: NO STRIKE

29.1 No employee or labor organization shall engage in a strike. No employee labor organization shall cause, instigate, encourage or support a strike. The employer shall not cause, instigate, or engage in any employee lockout.

29.2 In addition to any remedy either of them may have under the terms of the Policy, the employer may apply to the appropriate New Mexico District Court for injunctive relief to end a strike and an exclusive representative of public employees affected by a lockout may apply for injunctive relief to end a lockout.

29.3 Any labor organization that causes, instigates, encourages or supports an employee strike, walkout or slowdown may be decertified as the exclusive representative for the appropriate bargaining unit by the board, and shall be barred from serving as the exclusive representative of any bargaining unit of employees of the employer for a period of one year.

ARTICLE 30: PAYMENT FOR UNUSED SICK LEAVE

Each employee whose most recent commencement date of employment began prior to July 1, 1990 and who, at the time of employment termination is eligible to retire under the Educational Retirement Act shall be entitled to receive payment for accrued sick leave in accordance with the Employee Handbook and the following formula:

30.1 Each eligible employee who has accrued between 150 and 227 sick leave days shall be eligible for one (1) day's pay for each two (2) days of sick leave in excess of 150.

30.2 Each eligible employee with fewer than 150 accrued sick leave days shall be eligible for one (1) day's pay for each three (3) days of sick leave.

ARTICLE 31: EDUCATIONAL BENEFITS

- 31.1 The College shall continue to offer educational benefits to employees to support and encourage professional development and career advancement for employees.
- 31.2 Travel reimbursements shall be granted to employees in accordance with the College's Professional Development Plan in existence on September 1, 1996.
- 31.3 Full Time Faculty are eligible for educational benefits as authorized by the CNM policy contained in the Employee Handbook.

ARTICLE 32: WORKLOAD

- 32.1 It is recognized that employees are professional employees who will continue to devote a sufficient amount of time to their duties to ensure that there is excellence in instruction. It is further recognized by the parties that employees devote hours of service to the College and students beyond the minimum set forth herein. Employees who are assigned to a full-time position as defined herein shall render service to the College for a minimum of 30 hours per week or prorated amount for reduced workload. The total minimum of 30 hours per week shall consist of class contact hours, student consultation hours and other duties as defined below. The total minimum of 30 hours will occur on the campuses of the College or other approved sites. Work hours for short courses, summer term and non-traditional instruction shall be scheduled on this basis.
- 32.2 Contact hours are defined to mean those teaching hours scheduled with students in a classroom, lab or clinical setting. The required contact hours by discipline/program are specified in the Workload Appendix.
- 32.3 Student consultation hours are defined as scheduled time spent on campus or other approved sites in increments of at least one-half (1/2) hour during which an employee is available to meet with or communicate with students. An employee whose regular contact hours exceed 20 hours shall be allowed to reduce the employee's student consultatio hours by one (1) hour for each additional hour over 20 hours.
- 32.4 Other duty hours are defined as time for additional student consultation as needed, preparation, evaluation of student performance, curriculum development, sponsorship of student groups, College and/or department committee work and service, faculty or departmental meetings, in-service training, professional development, college service, and any other professional duties other than contact hours. If approved by the Dean or the Dean's designee, independent study (provided enrollment is less than the minimum number required for compensation) will count toward college service. The employee and employee's dean will collaborate on the appropriate balance, identification and combination of duties. Class contact hours and other duty hours may include assignment off-campus, which must be in writing and approved in accordance with the provisions herein. Release time, assignments and other duty hours are subject to approval by the appropriate dean.

- 32.4.1 The College recognizes that during the coronavirus pandemic, faculty may collaborate with their dean to temporarily shift the focus of other duty hours to address issues related to the delivery of instruction that arise as the institution transitions courses to online, or transitions on line courses back to campus. This provision shall not be interpreted to mean that work normally performed during other duty hours shall not be conducted, if the dean determines that work to be mission essential. Final approval of the total workload, as stated in sub-articles 32.1 thru 32.4, continues to be subject to the approval of the deans.
- 32.4.2 The College has sole discretion to determine how long the policies which were developed in response to the coronavirus pandemic remain in effect.
- 32.5 A full-time faculty member (employee) shall be defined as an employee who is selected into an approved full-time faculty position. When it is in the best interest of an instructional program, the appropriate dean may grant an employee's request to teach less than the regular class contact hour load as listed in the Workload Appendix. Those who fall below the regular class contact hour load during fall and spring terms, and have not been given other assigned duties or release time shall be paid on a pro rata basis. The College will make reasonable efforts to honor employee requests that do not interfere with instructional requirements.
- 32.6 An overload shall be defined as a workload in excess of the Discipline/Program regular workload set forth in the Workload Appendix when the excess is generated by the assignment of an additional course. The employee shall be paid the overload rate for each hour of the course. All overloads shall be in addition and must occur outside the base workload minimum of 30 hours per week. All overloads must be approved by the dean or the dean's designee. Effective Fall Semester 2018, overload pay will be calculated based on credit hour. The value per credit hour in each category is documented in the appendix. The value per credit hour will vary depending on the method of instruction. Office hours will still be required, if applicable. The credit hour overload rate shall be the only rate used to compute compensation for overloads. If, for any reason, the College determines that the employee's subsequent assignments within this academic year are such that the course should not have been considered an overload, the College shall adjust the employee's pay to the appropriate level. An employee may request a workload in a given term in excess of the Workload Appendix by a full course in that term in order to reduce the employee's workload in the summer term by a full course. There shall be no reduction in pay so long as the employee's annual workload is equal to the appropriate amount set forth under the Workload Appendix times three (3). The request must be made by August 1st of each year. Such employees shall receive first consideration in offset assignment. It is recognized that the college may limit overload assignments for operational reasons.
- 32.7 An employee who teaches three (3) physical science theory courses per year will be allowed a weekly contact load of 15.
- 32.8 Each employee shall submit to the employee's dean at the beginning of the term a schedule of the employee's activities totaling 30 hours per week for the term. The hours must be scheduled between Sunday and Saturday. The schedule will be developed by the employee and the dean in

accordance with section one (1) through four (4) of this article. The schedule may be altered by advance mutual agreement between the dean and the employee. The parties recognize that adding Sunday to the workweek derives from the increase in on line instruction that occurred because of the coronavirus pandemic, and student preference for holding student consultation hours on weekends that manifested as a result. This change in the workweek is subject to the provisions outlined in sub-article 32.4.2.

32.9 The parties recognize that employee productivity and public accountability require periodic auditing and appropriate management practices which will be implemented during the term of this Agreement. This article will be implemented in accordance with the parties' recognition that the employee's need for reasonable professional autonomy will be balanced against the College's need for reasonable accountability and employee productivity. Violations of this section shall be considered a rules infraction and addressed in accordance with established procedure.

32.10 Sick leave and personal leave accruals shall be prorated for those employees whose workload is reduced.

32.11 WORKFORCE TRAINING CENTER

A faculty member may have instruction at the Workforce Training Center be considered part of their regular workload under the following conditions:

1. the course work is part of the employee's assigned discipline and department;
2. the assignment is approved by the dean and the Vice President of Academic Affairs.

32.12 During the 2013-2014 negotiations the College provided a market adjustment increase of 1.64% to the base pay of the employees in recognition of ongoing faculty contributions and an additional three (3) days of work per year. The three days shall normally be scheduled as Convocation Day and two (2) Professional Development Days. Convocation Day and the Professional Development days will normally be scheduled immediately prior to the beginning of a term with Convocation and one (1) Professional Development Day normally preceding fall semester and the other Professional Development Day normally preceding spring semester.

ARTICLE 33: COMPENSATION

33.1 The parties shall execute a Memorandum of Understanding (MOU) which will establish the conditions under which compensation shall be addressed during Academic Year 2020-2021.

If the Governing Board, during Academic Year 2020 -2021 or Academic Year 2021-2022, grants an out of cycle wage increase to the total population of non-represented employees, and the parties are not already engaged in collective bargaining, the same wage increase with the same effective date will automatically be granted to full-time faculty, unless the Union or the College requests to change a term or condition of employment that must be negotiated. In the event that the Union or the College requests

to change a term or condition of employment, the parties shall commence negotiations immediately following approval of the wage increase granted by the Governing Board to the total population of non-represented employees. If out of cycle negotiations are opened, they will be limited to wages and one other item.

The participation agreement extra compensation rate shall increase to \$34 per hour.

33.2 Philosophical Agreement of the Parties

33.2.1 The parties agree that by accepting this Agreement, the issue of CNM being a three term versus a two term institution is now resolved. This language in no way prohibits the Union from advocating or proposing pay increases for employees in negotiations for successor agreements.

33.3 In order to maximize the opportunity for instructors to reduce their summer workload, the following conditions shall apply.

33.3.1 Rather than continue the current method of docking an instructor's pay on a prorated amount for each course the instructor is allowed to not teach during the summer term, the instructor's rate of pay will be reduced by a fixed replacement cost amount for each hour reduced that is part of a full course. Workloads can only be reduced by a full course under this provision except hourly reduction is available in Health Occupations. The total amount of course reduction using this method cannot exceed the complete full-time summer term workload.

33.3.2 The replacement cost per contact hour is based on the attached summer term replacement cost schedule.

33.3.3 For an instructor to be eligible for a full reduction for the summer term the instructor must make a request in writing to their dean by August 1st in a given year of the year preceding the summer in which they wish to reduce their workload. Reduction of less than a-full summer term should be requested as soon as known to the instructor and may be approved at the discretion of the dean. For an instructor to be eligible for the summer reduction rate he/she must carry a full workload in accordance with the workload appendix for the fall and spring terms immediately preceding the summer of the requested reduction.

33.3.4 The dean shall make reasonable efforts to accommodate the request of the instructor for a reduced summer workload received by August 1st, in a given year and shall not deny such request without a verifiable operational reason for doing so, such as, but not limited to, no suitable part-time replacement instructor. Once an individual has committed to a summer workload reduction in a given academic year, subsequent requests during that academic year for additional summer course(s) will be granted at the discretion of the dean.

33.3.5 When courses cannot be filled with suitable part-time instructors to the satisfaction of the dean, such courses shall be offered to suitable full-time instructors on a voluntary basis. The dean shall assign courses from the available volunteers. When there is an insufficient number of full-time

volunteers, or the dean determines that the volunteers are not suitable to teach the course, the course shall be assigned by the dean to the full-time instructor the dean believes most suitable to teach the course. The dean's judgment on suitability is final and not subject to challenge except in the case of a verifiable operational reason when the employee has submitted a request for summer course reduction by the deadline in sub-article 33.4.3 above.

33.3.6 Sick and personal leave accruals shall be reduced on a prorated basis according to time worked when an instructor reduces his/her workload. No leave is earned for working an overload but earned leave can be used while working overloads.

33.3.7 When an instructor does not work some or all of the summer term, CNM will continue to pay the employer's portion of the insurance premium.

33.3.8 With dean approval an employee who receives a grant may choose to be compensated for the grant by course release or overload pay at the current extra compensation participation agreement rate.

33.4 There shall be no other pay increases during the term of this Agreement other than those contained herein. In the event of shared course work, team teaching arrangements and other non-traditional assignments, pay rates are subject to the approval of the Vice President of Academic Affairs and the Human Resources Executive Director.

33.5 TWO TERM FACULTY

- A. Full-time three-term faculty may apply to permanently change their status to that of a two term faculty member. The College and the departments will make reasonable attempts to comply with such requests. In the event a faculty member applies and is selected into a two-term position, the following conditions shall apply.
1. The faculty member's two term rate of pay will be calculated as a three term employee who is taking the summer reduction option offered in accordance with the provisions of sub-article 33.3 and this amount will become his/her new base rate of pay.
 2. The faculty member's leave accrual will be prorated on a two term basis. No leave is earned for working an overload; however, earned leave from previous terms can be used for overloads.
 3. The faculty member shall be eligible to work in the summer term and, if selected to do so, will be paid the overload rate. The parties recognize that there may be valid operational reasons other than teaching, that cannot be accomplished by other means, for asking the faculty member to come to campus during the summer term.
- B. When full-time faculty vacancies are advertised and filled, the College shall make a determination as to whether the needs of the College are best filled by a two or three term faculty and will fill the position accordingly.

ARTICLE 34: FACULTY SCHEDULING AND CLASS ASSIGNMENT

- 34.1 The parties acknowledge the desirability of collaboration in developing the individual faculty member's course schedules and assignment of classes. Each department shall develop a process that allows faculty members to request specific courses and schedules prior to the development of the final schedule. At the sole discretion of the Dean, seniority may be used as a method for determining which faculty member receives a particular course when two or more faculty members have requested that course, during the initial development of the schedule.
- 34.2 The parties recognize the desirability of limiting the duration of an employee's work schedule to a maximum of eight (8) hours per day consistent with the programmatic needs of the College. This provision shall not be interpreted to deny an employee's request for overload or to work longer hours when requested by the employee.
- 34.3 The parties agree that course schedules that are spread out more than five consecutive days, meet on Saturday and Sunday, and have ending times beyond 9:30 pm are normally considered undesirable by full-time faculty. To the extent reasonable, these courses should be scheduled through voluntary assignments.
- 34.3 In the event a faculty member's schedule is changed, the faculty member will be advised of the change in a timely manner via phone or e-mail.

ARTICLE 35: INVOLUNTARY WORKLOAD REDUCTION

In a given term employees may have their regular workload reduced in the event the College determines classes do not have sufficient enrollment and alternative courses or assignments are not available. In the event the reduction results from the College's determination that a class or classes have insufficient enrollment, the affected employees will receive prompt notice. The provisions of the Reduction in Force Article of this Agreement do not apply to this situation.

An employee may be assigned an alternative course or an alternative department assignment in order to avoid the need for an involuntary regular workload reduction. If there are no unassigned courses available, the following process will be utilized:

- 35.1 If fully qualified, an employee shall be assigned a course that has been assigned to a part time instructor, if available, in the same academic discipline within the employee's department. If fully qualified, an employee may be assigned to a course that has been assigned to a part time instructor in another academic discipline, if available, within the department.
- 35.2 In the event a course(s) is not available, the employee and the Dean shall meet to determine the feasibility of an alternative assignment such as, but not limited to, textbook review, curriculum review and development, program assessment, or research. If the Dean and the employee agree upon alternative duties, those duties shall be assigned to the employee.
- 35.3 The affected employee may be assigned courses in another department for which the employee is fully qualified if such courses are available.

An employee on involuntary workload reduction during the summer term and for whom an alternative assignment has not been made, shall have their pay calculated as if they had requested and been approved for a reduced summer workload.

An employee on involuntary workload reduction during the fall and spring terms and for whom alternative assignments have not been made, shall be paid on a pro rata basis.

The provisions of this Article shall also be applicable to program offerings that change from three (3) to two (2) terms. However, prior to the department officially re-designating a three term program to a two term program that would affect the annual faculty regular workload, the department shall discuss the proposal with the affected employees who shall have the opportunity to provide recommendations

Employees on involuntary workload reduction may continue in that status for an indefinite period, but shall be assigned a full workload prior to the recall of a laid off employee within the same academic discipline and department, who is judged to have relatively equal skill and performance.

ARTICLE 36: COMPLETE AGREEMENT

The parties agree this Agreement is the complete and only agreement between the parties. Each party has negotiated on all issues identified for negotiations and such negotiations have led to this Agreement. No additional negotiations will be conducted on any item, whether contained herein or not, except by mutual agreement of the parties. This Agreement replaces any and all previous Agreements between the parties.

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to all proper subjects of collective bargaining and that all such subjects have been discussed and negotiated upon and agreements contained in this Agreement were arrived at after the free exercise of such rights and opportunities; therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and without qualification waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

Prior to changing any employee wages, hours, or other terms or conditions of employment, the College shall notify the Union of its intentions. No later than five (5) days after being notified by the College of its intentions, the Union may request to meet and confer with the College regarding the change. The College shall meet with the Union to discuss the Union's concerns and/or recommendations. This commitment to meet shall not be interpreted in a manner that prevents the College from taking action after meeting with the Union.

ARTICLE 37: AGREEMENT COPIES

This agreement shall be posted on the CNM website.

ARTICLE 38: DURATION

This Agreement shall become effective upon the signature of the parties and shall remain in full force and effect until midnight August 31, 2022. Either party may open negotiations on the limited issues of compensation and a maximum of one other item per party, no later than July 15, 2021.
