

CNM Libraries Vision

CNM Libraries is a beacon for learning and innovation in a collaborative environment where individual freedom and social responsibility flourish and the college-wide vision of Changing Lives and Building Community is honored and enhanced.

CNM Libraries Mission

To support educational opportunities and academic excellence through the acquisition, organization, access, and maintenance of resources necessary to support current academic programs; to direct information literacy efforts; to foster student persistence, and lifelong learning in a safe and supportive environment.

CNM Libraries Core Values

- Provide** diverse resources
- Deliver** user-centered services
- Encourage** self-reliant users
- Inform** decision-making
- Enrich** the learning experience
