## **BENEFITS OF CNM INTERNSHIPS**

Test Drive the Talent

Find Future Employees. 70% of students that have an internship, get converted to full-time employees.

Increase Productivity by taking Advantage of Short Term Support

Increase Employee Retention. According to a National Association of Colleges and Employers 2009 survey, 40% of employers reported a higher 5 years retention rate among employees hired via internships

Give Back to the community. Support Student Internships. Help CNM students in that very important first step of building professional relationships that can last a lifetime!
