Definition of Major and Minor Edits

- o <u>Minor Edits:</u> spelling errors, typos, broken and wrong links, outdated contact information, layout rearrangement to meet Style Guide standards and miscalculated credit hour totals.
- o <u>Major Edits</u>: require College Curriculum Committee (CCC) approval and/or corresponding modifications to Banner/Degree Works. Major edits include but are not limited to course description revisions, additions/deletions to the General Education Core course list, term-by-term revisions, pre/co-requisites changes, and addition of new programs and/or new courses.

Created September 2012, revised December 2018
