

Central New Mexico Community College – Math Course Sequence

Notes:
 1) Track A indicates applied track
 2) Track B indicates algebra track

* Any 3 Credits from these courses will meet the AAS Mathematics Requirement

Transfer notes:
 1) Students who intend to transfer to a four-year school should determine what level of math will fulfill core and major requirements at the transfer institution.
 2) In general, the classes in teal fulfill core requirement for AA, AS and transfer. However, students should be aware that many majors have specific Math requirements.
