**Central New Mexico Community College – Math Course Sequence**

**Developmental Math**

- **TRACK A**
  - Algebra Problem Solving I
    - Math 0970
    - 3 credits
  - Problem Solving Formulas, Measurements, and Algebra
    - Math 1211
    - 1 credit

- **TRACK B**
  - Algebra Problem Solving II
    - Math 0980
    - 3 credits
  - Intermediate Algebra
    - Math 1310
    - 4 credits

**College Level Math**

- Math for Elementary and Mid School Teachers I
  - Math 1110
  - 3 credits
- Math for Elementary and Mid School Teachers II
  - Math 1115
  - 3 credits
- Math for Elementary and Mid School Teachers III
  - Math 2110
  - 3 credits
- Problem Solving with Statistics and Probability
  - Math 1212
  - 1 credit
- Problem Solving with Geometry and Trigonometry
  - Math 1213
  - 1 credit
- Problem Solving with Consumer Mathematics
  - Math 1214
  - 1 credit
- Problem Solving Formulas, Measurements, and Algebra
  - Math 1211
  - 1 credit
- Problem Solving with Statistics and Probability
  - Math 1212
  - 1 credit
- Problem Solving with Geometry and Trigonometry
  - Math 1213
  - 1 credit

**PREREQUISITE NOTE**

Math 1320 and 1330 - prerequisites are Math 1211 and 1212
OR Math 0980 (or higher in Track B)
Math 1340 - Choose one of the following prerequisites: Math 1211, 1212, 1213, 0980 (or higher in Track B)

- *Course will fulfill the State of New Mexico core Math requirements for AA and AS degrees*

**Transfer notes**

1) Students who intend to transfer to a four-year school should determine what level of math will fulfill core and major requirements at the transfer institution.
2) In general, the classes in teal fulfill core requirement for AA, AS and transfer. However, students should be aware that many majors have specific Math requirements.

**Notes:**
1) Track A indicates applied track
2) Track B indicates algebra track

Any 3 credits in this box meet the AAS mathematics requirement
