Infection Control Students must provide an appropriate CPR card and proof of current training in blood-borne pathogens, HIPAA, and infection control in order to receive credit for HLTH 1001.

Continue on page 2.

Statement of Understanding

I confirm that I am a current CNM student and I have declared a major to which this credit will apply. I am using the attached documents as evidence of my prior learning. I understand that I must still complete CNM graduation residency requirements and that CPL counts toward the maximum time frame standard of academic progress for financial aid. I realize that my request for CPL will not be completed if I do not submit my request to Enrollment Services or to askgrad@cnm.edu with this completed form, and all required documents listed above. Further, I understand that credit earned through CPL may not be accepted at another college or university and it is my responsibility to contact any institution in which I intend to transfer to inquire into their policy on accepting CPL awarded at CNM.
