

Student Name: _____

Student ID: _____

FAA Mechanic Certificate Type (Airframe, Power Plant or A&P): _____

FAA Mechanic Certificate No: _____

Process for Requesting Credit

Submit all required documents to Enrollment Services at CNM Main Campus, or email askgrad@cnm.edu with attachments of the required documents.

Required documents for requesting CPL

1. A completed, signed CPL Aviation Maintenance Technology Form (this form),
2. Proof of \$25 fee payment (you may take a completed copy of this form and pay in-person at the CNM Cashier, or you can pay online through the [CPL Store](#) and print/save a copy of the receipt to attach to your request with all other documents),
3. A copy of your government issued ID, **and**
4. All current and valid certificates for which you are requesting credit, from the list on page 2. If you are requesting credit based on FAA Mechanic certification, please complete certification information above.

*Licenses and/or certifications are checked for validity through their corresponding agency.
Incomplete or invalid requests will not be processed.*

Statement of Understanding

I confirm that am a current CNM student and I have a declared major to which this credit will apply. I am using the attached documents as evidence of my prior learning. I understand that I must still complete CNM graduation residency requirements and that CPL counts toward the [maximum time frame](#) standard of academic progress for financial aid. I realize that my request for CPL will not be completed if I do not submit my request to Enrollment Services or to askgrad@cnm.edu with this completed form, and all required documents listed above. Further, I understand that credit earned through CPL may not be accepted at another college or university and it is my responsibility to contact any institution in which I intend to transfer to inquire into their policy on accepting CPL awarded at CNM.
