**Process for requesting CPL**

Submit all required documents to Enrollment Services at CNM Main Campus, or email [askgrad@cnm.edu](mailto:askgrad@cnm.edu) with attachments of the required documents.

**Required Documents for requesting CPL**

1. A completed, signed CPL Emergency Medical Services Form (this form),
2. Proof of \$25 fee payment (you may take a completed copy of this form and pay in-person at the CNM Cashier, or you can pay online through the [CPL Store](#) and print/save a copy of the receipt to attach to your request with all other documents),
3. A copy of your government issued ID, **and**
4. A current and valid NM EMS license or NREMT certification.
5. If you are also requesting credit for HLTH 1001, include the 4 additional, required documents listed on page 2 with your request.

*Licenses and/or certifications are checked for validity through their corresponding agency.  
Incomplete or invalid requests will not be processed.*

**Statement of Understanding**

I confirm that am a current CNM student and I have a declared major to which this credit will apply. I am using the attached documents as evidence of my prior learning. I understand that I must still complete CNM graduation residency requirements and that CPL counts toward the [maximum time frame](#) standard of academic progress for financial aid. I realize that my request for CPL will not be completed if I do not submit my request to Enrollment Services or to [askgrad@cnm.edu](mailto:askgrad@cnm.edu) with this completed form, and all required documents listed above. Further, I understand that credit earned through CPL may not be accepted at another college or university and it is my responsibility to contact any institution in which I intend to transfer to inquire into their policy on accepting CPL awarded at CNM
