Statement of Understanding

I confirm that am a current CNM student and I have a declared major to which this credit will apply. I am using the attached documents as evidence of my prior learning. I understand that I must still complete CNM graduation residency requirements and that CPL counts toward the [maximum time frame](#) standard of academic progress for financial aid. I realize that my request for CPL will not be completed if I do not submit my request to Enrollment Services or to askgrad@cnm.edu with this completed form, and all required documents listed above. Further, I understand that credit earned through CPL may not be accepted at another college or university and it is my responsibility to contact any institution in which I intend to transfer to inquire into their policy on accepting CPL awarded at CNM
